War Department

Washington City,

April 7th 1864.

Sir,

I have the honor to return, herewith enclosed, the communication of Mr. S. P. Calvin, in relation to John W. Fusion, late 2^d Lieut, 91st Ohio Volunteers, and to say, that the papers in his case, said to have been sent to the Secretary of War from the Judge Advocate General, cannot be found either on the records of this Department, or on those of the Adjutant General's Office. I rather think that they have been sent to the President, and await his action.

Very respectfully,

Your obed^t serv^t.

A. Christensen
