My Dear Pasa
T. Knowlton
& Fields will forward
some advance sheets of
"My Days & Nights on
the Battle Field", I will
also see that you have
a bound volume.

Any word you can
say for it will be
gratefully remembered.

Yours truly
C. C. Coffin

Heard a man in N. H.,
say yesterday "he was glad
they had begun his
watts again. Should have
something worth recording."
It was Mr. Harris - the

will ~~more~~ Manufacture
of Herre's goods. I thought
it would be pleasant
for you to know
your quill drawing was
appreciated in these
parts.

Yours
C. C. C.
