

HOUSE OF REPRESENTATIVES
COMMITTEE OF WAYS AND MEANS

Washington, D.C. July 17 1867

My dear Sir:

Among the Congratulation I have read, only a few touch me as yours has done. You have been very generous in your Courtesy & Kindness to me always, & I had hoped that the result in Albany

R. Campbell

would involve a
resent superficial
to you personally.

During the campaign
this was not forgotten,
but was the subject
of thought & considera-
tion - Failing, it
would with Mrs
Mum have chilled
the warmth of their
feeling - with
you it makes
no difference -
Is there not

something in lieu of
the proposed matter
in the assembly
which can be com-
passed upon - If so
will you at once
advise me.

Meanwhile accept
my thanks & best
wishes for yourself
& yours.

Your friend
Rosee Foxling
