

J. M. Carlisle Esq

Dear Sir

Some time since I
sent you a note of J. H. Williams: & you have
been as successful as I had been in finding
the person.

I have now gotten a clue to
him; & I think a Fairfax sheriff can find
him. Will you be good as to send me the
paper by Saturday, that on Monday at
Fairfax C. H. I may take the requisite
steps - Will you ask Bradley to let you
see a letter I wrote him ~~some~~ yesterday
about West & Mandeville's In & Cyales - &
if you know of any law such as I ask for
send it on by some body on Saturday
when the Court comes down?

May 26. 1856

Yrs truly

H. M. Davis.

Mr. Adams

Dear Sir

I have now written a short
number of lines a rough sketch of
mine. My paper being a little out
of paper I expect that on Monday at
London I shall be able to get the
steps - I suppose all the same to
see a letter of introduction on yesterday
about next to be sent to the
paper however of any use or
interest to you I shall be glad to
send the same to you as soon as

Yours truly
