Dear Sir; -

I write to request the favor of an autograph copy of your book on Abraham Lincoln and his Presidency. You will see from the circular enclosed the character of our work. We are endeavoring to collect for preservation copies of all books on local subject. We feel that we can assure you in return that your book will be absolutely free from fire for our building does not contain a fortitude of material that will burn. We will appreciate very highly your gift and will send you the Society's official acknowledgement.

Thanking you in advance,

Mr. Joseph H. Barrett,
Loveland, Ohio.

Yours sincerely yours,

James W. Fertig
Secretary
