

Gibson, R. L. 1879

House of Representatives U. S., Sir - You

Washington, D. C., Dec 23, 1879.

My Dear General,

My friends from
different parts of the State will bring
me forward for the Senate. I know
you have no taste for politics
but if you can consistently
wish you would look over
the list of members of the Senate
Assembly & speak to me you
may feel inclined to mention
the subject to, my behalf.
You may know I know a
Argentine - Argentine & others.
I would like to have the
time & opportunity to
bring forward my

100

Measure for the Improvement of the
Miss River - a measure of
incalculable importance to our
City & State. I have so many
assurances of support from
the Country that I believe I
can beat Burke unless I find
if I can not get a decent
vote in the City.

Yours faithfully

R. L. Gibson
