

small as it is, cannot be
spared from this Depart-
-ment. Whether the
"emergency which brought the
Division" here is or is not
passed, is a question upon
which a difference of
opinion may reasonably
exist. The climate &
labor are both exercising
a harmful influence upon
the efficiency of this command
and all the well soldiers
are required to discharge
the heavy duties that are
necessarily imposed.

P.S. The conscripts for Gen. Gor-
-don's division should be sent
to it if possible.
