Berkeley Springs Va
June 7th 1852,

Dear Sir, I am to
short in my accounts
here, & therefore obli-
ged to make use of
your kind permission
to trouble you with
these lines—

Herewith a something
draft or check - I always
forget the true name
for Dr's debt - & the most
respectful prayer to
send this amount im-
diately here to me.

Your friendly Wishes
will find the way
of
Mr Richard Smith 677
etc etc etc

& the means how to
forward it; may
be in Virginia notes
& likewise you will
excuse & forgive the
trouble which thus
I dare to give you.

Most respectfully

Yours
& C.
Garrison
