

Count Larowski

Friday Feb 23- 1864,

Dear Sir,

I do not know positively if you are Govern: Andrew's especial friend, but I am certain you are a man of honor, & as <sup>to a</sup> such I address to you these lines. —

I learned that a most infamous slander is spread concerning Gov: Andrew. —

It is said, & it was said in the presence of Mass: Congressmen that Gov: Andrew: ~~followed~~ from Washngt: to New-York, followed Seward to go over to the Sec: Johnson.

And this infamous lie was not rebuffed.

I know & you know

2/170

how lies & slanders  
~~spread~~ rapidly spread.

During the Govern: visit  
to Washington, I was  
almost the whole time  
with him.

The Govern: was here  
in the interest of Mr  
Forbes & of other Abol-  
ition parties which  
have sold the Meteor to the  
Chilian government.

Mr Sew: slipped off to  
New-York without ha-  
ving given to the Govern:  
any decision. The Gov: yester-  
day telegraphed to Mr Warts  
to detain Mr Sew: in  
New-York; further he  
telegraphed to Mr Forbes  
to come to day to

New-York, & he  
himself left yesterday  
night for New-York.

You can judge  
on what ground the  
infamous lie was  
concocted, & I hope  
that you will correct  
& rebuke the slander.

Yours very respecful

Gurrows

Hon: Price  
of Massaru
