Dear Sir

I am in receipt of
your note of the 7th inst.

There are several Books
which give a brief account
of my life - One entitled Life
of Lincoln & Hamlin 1860 - I
think you might find that
one in Pub Library - Boston -

But as it is not certain, I
send you a copy of the N.Y.
Times, from which I think you
can get all you want.

Yrs Truly
