

Senate  
Dec 17/63

Dear Sir -  
Yours of 12th  
inst received. If  
I can secure your  
removal, it will be  
done over my power  
and influence here.

But I think you  
need have no fears  
on the subject

The matter shall be carefully watched. I will secure the printing from the War Office in a few days. My friends will find me in accord with the administration —

Yours friend
