ALEXANDRIA BAY, N. Y.

July 8. 1881

Dear Ellsworth: - Yours of the
16th containing cheque for June
Salary was duly received.

The enclosed paper is a specimen,
connected with our Society
sent to Mill Carey. I should
like to have you look after
the matter. I cannot imagine
that it is of serious conse-
quence, but I suppose I ought
to have it attended to lest
it may be something of more
^{importance} ~~importance~~ than I suppose.

Yours
J. S. Holland
