Washn. Mich 20. 1873

Mr President

It is widely supposed that
a change will at no distant
day be made in the head
of the Agr Bureau.

We desire to say that as
Wisconsin has no Bureau
office & as we believe
we can offer you a man
particularly fitted for that
place, we beg you will
defer our appl for a couple
of days that we may be
heard on that subject
very sincerely
Yours
M. A. Carpenter

Prof.
Mich
