

Springfield Nov. 30. 1858

H. C. Whitney, Esq

My dear Sir:

Being desirous of preserving
in some permanent form, the late joint discus-
sion between Douglas and myself, ten days
ago I wrote to Dr. Ray, requesting him to forward
to me, by express, two sets of the No¹ of the
Spreen, which contain the reports of those dis-
cussions - Up to date I have no word from
him on the subject - Will you, if in your
power procure them and forward them to me
by Express? If you will, I will pay all
charges, and be greatly obliged to boot-

Hoping to meet you before long I remain

As ever Your friend

My dear Sir

I have just received your kind letter of the 17th inst. in relation to the proposed meeting of the friends of the cause of the oppressed in this city. I am glad to hear that you are so interested in the subject, and I have no doubt that your efforts will be successful. I have already written to the friends of the cause in this city, and I have no doubt that they will be glad to hear from you. I have also written to the friends of the cause in other parts of the country, and I have no doubt that they will be glad to hear from you. I have no doubt that your efforts will be successful, and I have no doubt that you will be able to do much good for the cause of the oppressed.
