

Springfield, Jan'y 15. 1860

Fernando Jones, Esq

My dear Sir:

Yours of the 10th was received two or three days ago; and, being much engaged, I have postponed attending to it until now. Our republican friend, J. W. Hill, of Bloomington, Illinois, can furnish you the materials for a brief sketch of my history, if it be desired—

I shall be happy to receive a letter from you at any time—

Yours truly,

A. Lincoln
