THE TEMPLE, CHICAGO.

My Dear Sir:

I see only today
your letter of the 4th inst. &
Mr. Isham. It will not
perhaps surprise you that
that I am sorry that both
Publishers & the Public are
not satisfied with what
has been already done -

It would be in my power
to comply with the wishes
& printed in your note in part
but not wholly, but I would
not be willing to do so until
I had seen the article. I
trust to think that you
will appreciate my feeling.

I am a little puzzled to
know who the author is - I
cannot recall one before

having his name & it does
not appear in official lists
in my hands (I have no Register
of the War Dept later than 1885)
when I should expect to find
the name of a person having
the rank of Captain in the
United States Army.

Believe me
Very truly yours
Wm. Allen
