Dear Sir:

Your favor of the 3<sup>rd</sup> inst. is received.

I am glad to learn, although perhaps I needed no assurance of the fact, that you are not in sympathy with the inflationists, and that you have expressed your opinions fully to your delegation in Congress. There is to be, doubtless, during the session a hard fight over the currency question, and it is quite important that the well managed banking institutions in the country should exert their influence in the right direction.

I am Very truly Yours
