

H. Des. A. P.  
June 10. / 64

Respectfully answered.  
This list has been already  
sent forward in letters from  
these H. Des. & I believe all  
the officers appointed with  
the exception of the name  
of Maj. Genl. Barlow -

It is now proposed that  
the H. Genl. Genl. may be  
officially advised of this fact.  
The name of Genl. Barlow  
was not before transmitted  
because 1<sup>st</sup> I did not know  
of any vacancies & had not  
been called on to recommend  
an officer for promotion to  
the grade of Maj. Genl. 2<sup>nd</sup>.  
If I had there are other  
names which should in  
justice to individuals & to  
military service have been

sent in at the same time.  
Having understood Genl.  
Barlow, has desired the  
action of his Corps Genl.  
should be made known  
to the H. Genl. Genl. & the  
War Dept. I cheerfully  
forwarded <sup>this</sup> with the foregoing  
comments & the further  
remark that whenever I  
do present a list for  
promotion to the rank  
of Maj. Genl. I shall most  
certainly include his name.
