Lincoln -

Dear Gilbert -

I have recd

your call - a mighty

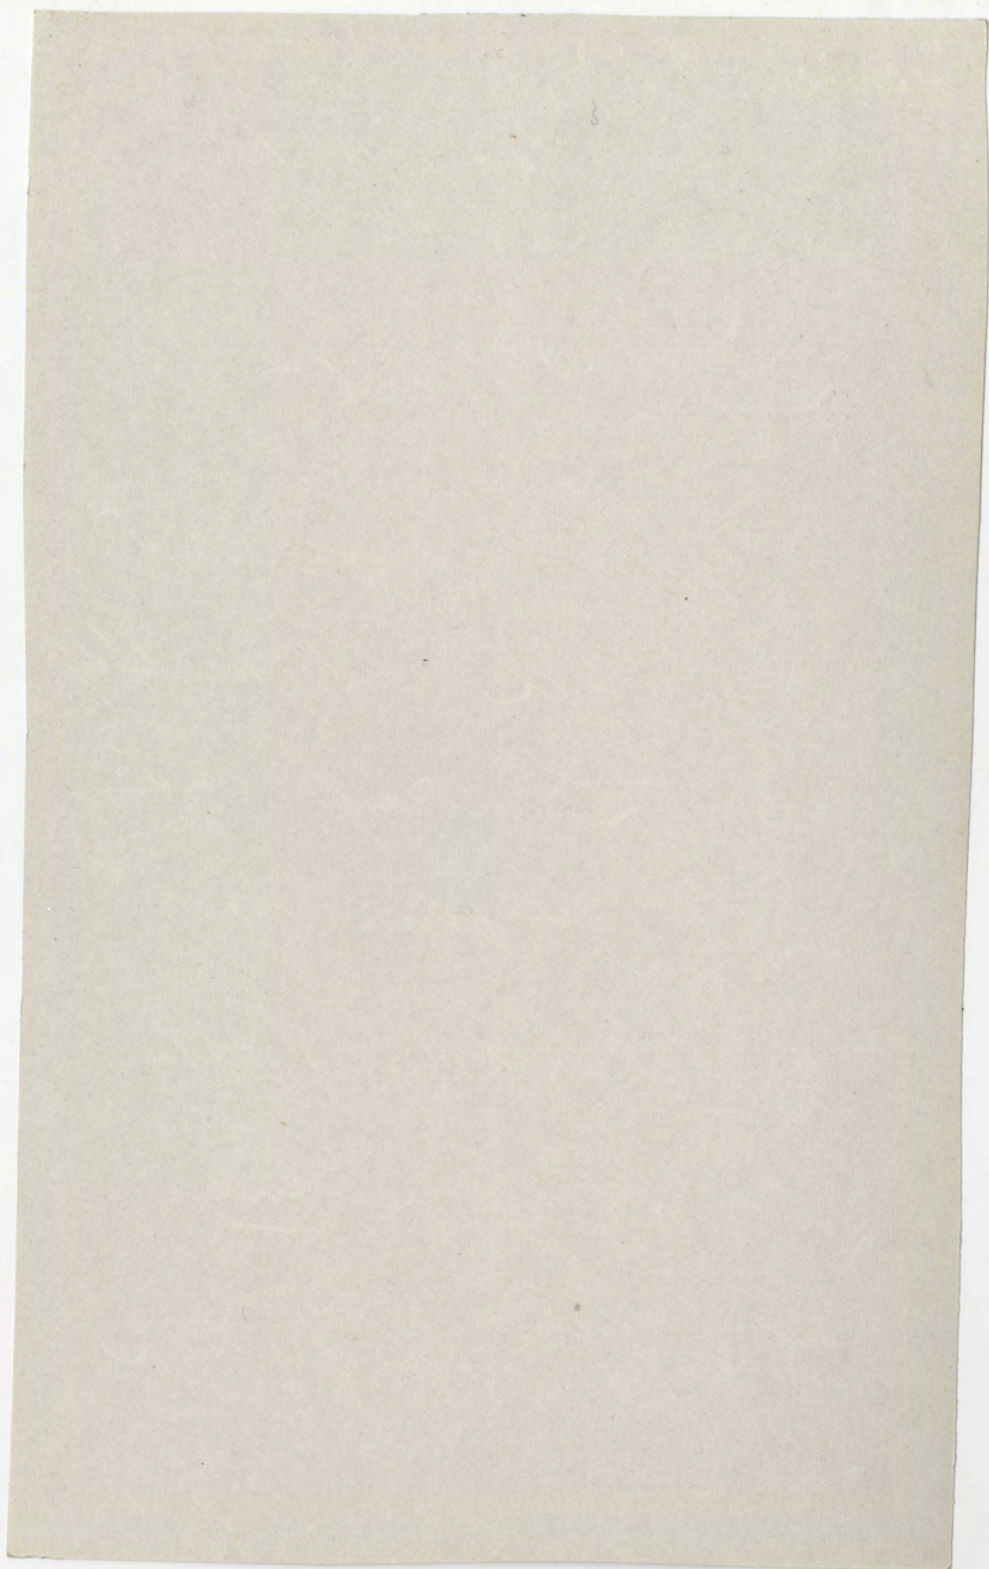

good & kind one -

every sign has

my thanks - But

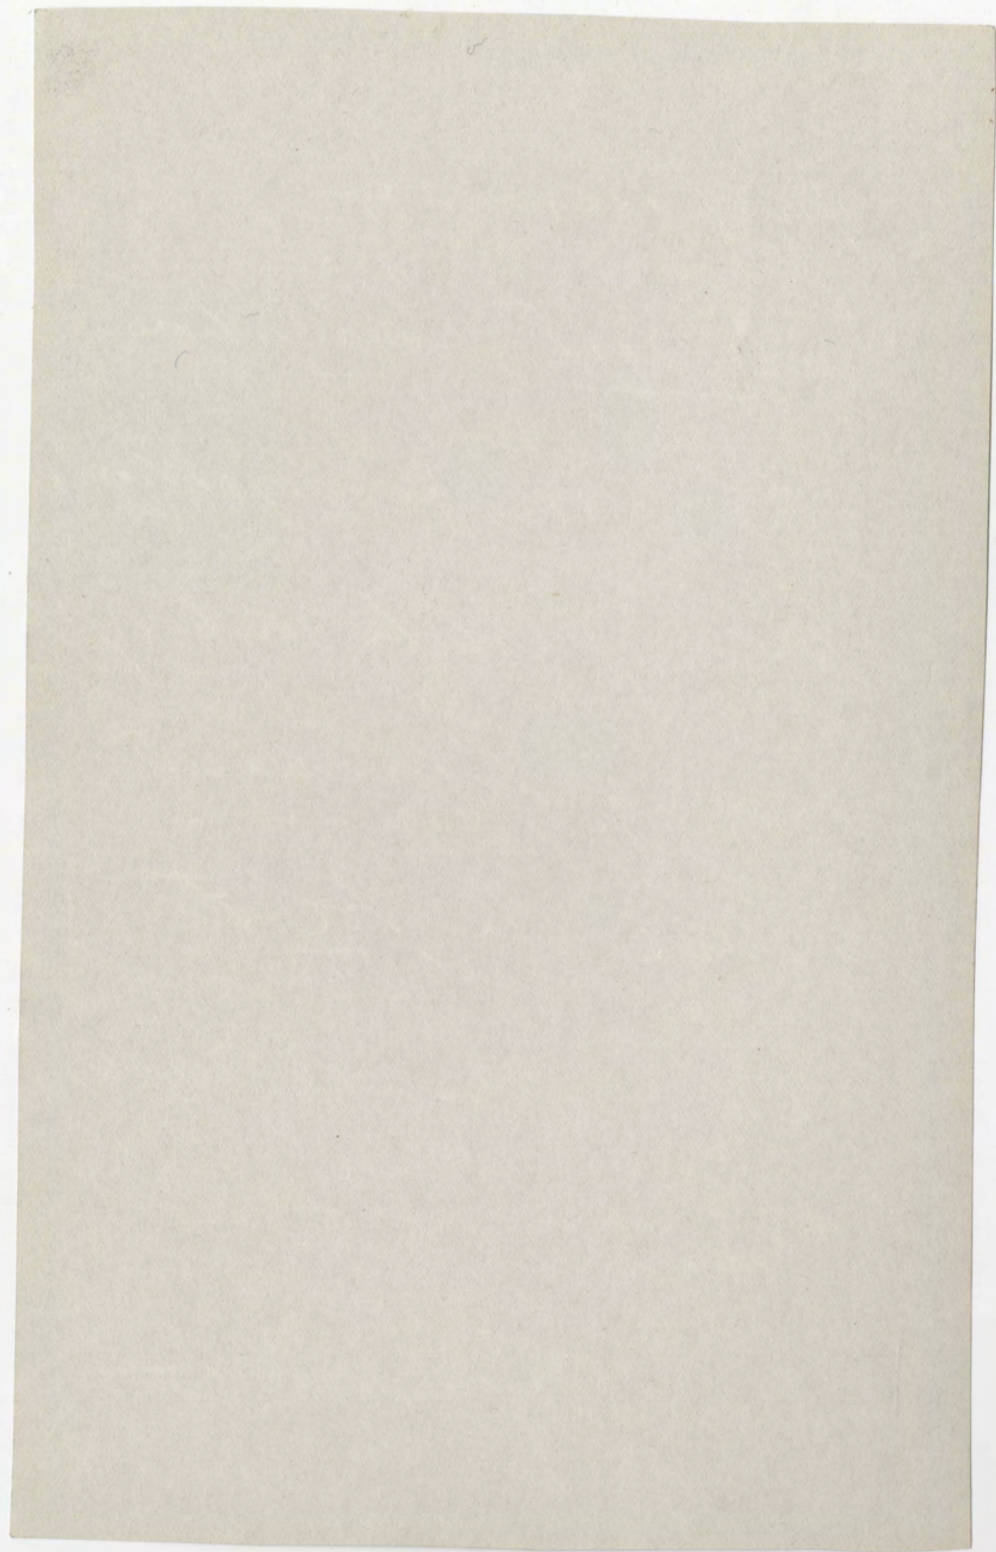

it wont do for me

to sign - my letter

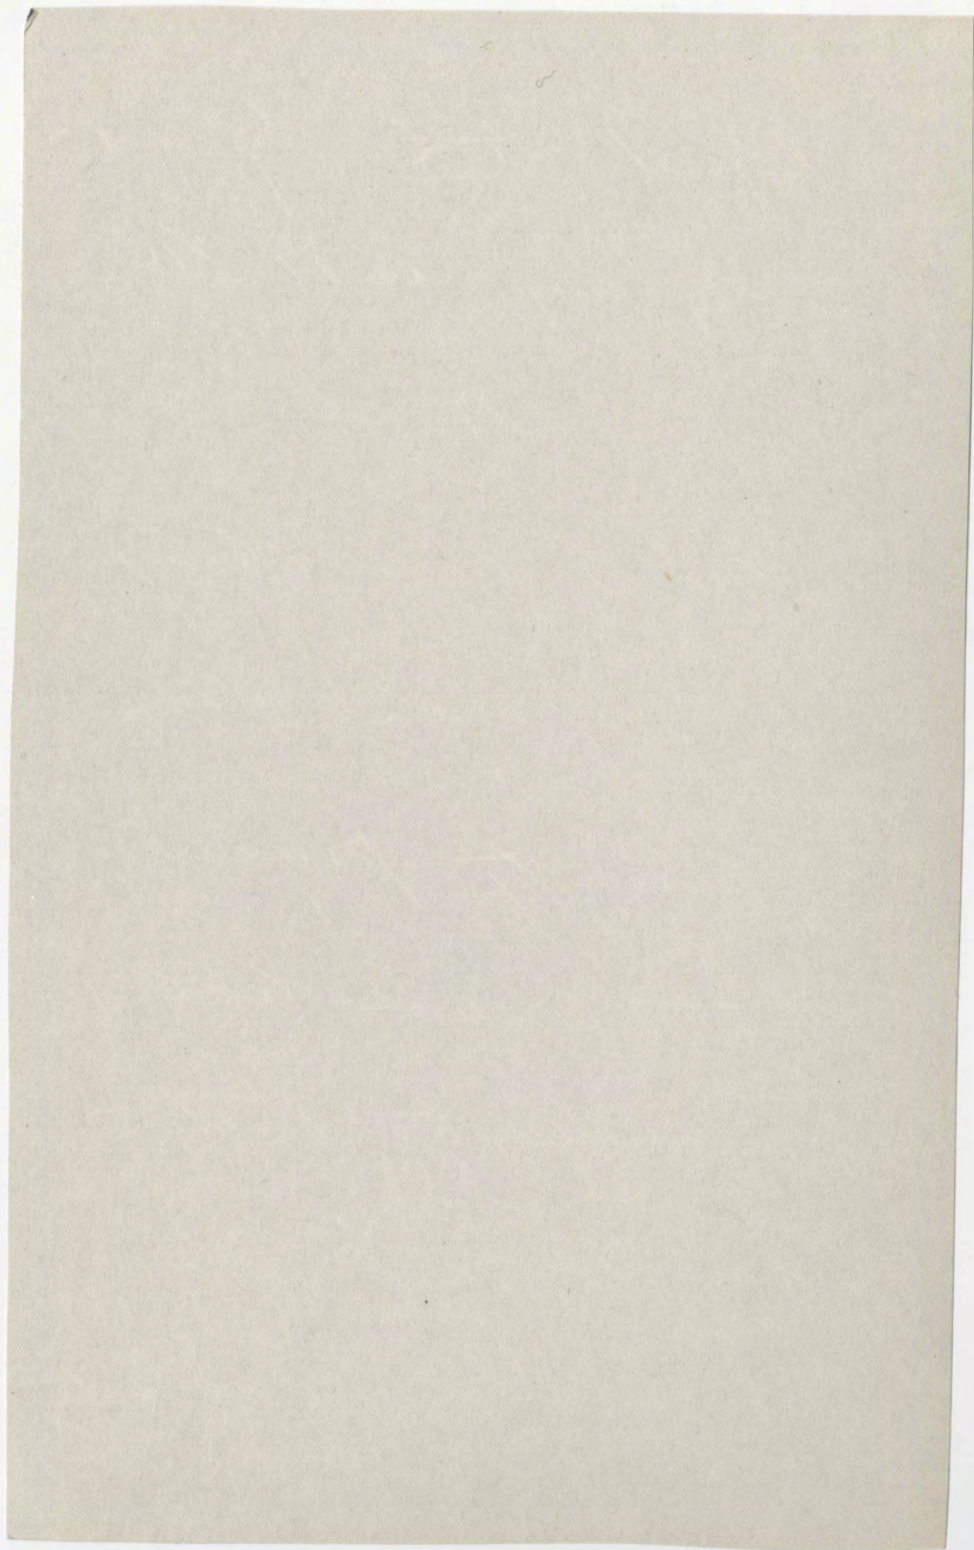

proposes an
unpledged Convention
tho I've no objections
to any Club a body,
moving before hand
where the P.C.T.

Still I am so fully
convinced that I
shall do more to

defeat A. L. by not
tying my hands to
any candidate &
also by so keeping
my self can move
efficiently forward
that Coarctation
movement that
I decide to fix
on no one for candidate

I know no reason why you should be so
But when I see his picture I try to find out what

all ^{you know} the conventional
methods

I would say
to you as I have
to many that as
things stand I am
in French & know
one who comes any
where near him in
my esteem & value
in the Presidency

Wendell Phillips
