

Chicago

Sept 11/62

I respectfully
recommend that
the arrangement
suggested in this
letter by Mr Evans
be made. The rea-
= sons for it are so
obvious & conclusive
that I am sure its
propriety will at
once strike the Dep
artment

W. A. M.
Major

John Pope
Maj. Gen
45A

From Sept into Oct 31

Melbourne Aug 26
1864

Respectfully transmitted
to the Indian Chief to complete
the record on the subject
of supplies furnished to the
Indians by British Officials
in the North West.

object without less or hindrance by the
law, unless no reasonable hope of in-
creasing useful mammals are taken
they close the doors of escape to them
as well as to the birds. For Magister's purposes
was no to eradicate the Cornus March
by our Government in this important
and law duty to state the facts as

Miss M. J. C.

But May I see

Brackett's Butte. Now
with the full will be
mentioned as soon as
I return about Oct 1st

I will very gladly mention
out all the names of the
persons living in the State
as soon as the Governor
& other influential citizens
will say that they will not
unnecessarily begin to clamor
for others - Why Minnesota
is a State of the Union.

represent that few or no
troops are needed for its
frontier, the other half
heard by the women
military commanders admit
that many more are needed
than have been there. I shall
speak to Winnebago in the
1st Sept & suspect that
I shall myself -

Geo Pope
