

Executive Mansion.

Washington, D.C. Sept 1<sup>st</sup> 1869

My dear Anus.

1869  
1869

He came over  
in to W. again in two  
days, and came tonight  
in Sacramento. I showed  
your letter, and the copy  
of Sherman's to the P.

He will see you through  
in this matter, and  
your stand as high as  
you in his estimation.

The people know how

Just how the administration  
stands towards the people  
of Miss, and I hope  
the true republicans may  
"go in and win".

The President will sustain  
you in any proper course  
you may adopt to  
reconstruct the State.

I cannot write you at  
length, as we are about  
to start for the depot  
on our way North.

In love three weeks

We shall return to remain  
in the winter.

Yours truly  
Samuel Porter

Wm. Adams
