WAR DEPARTMENT,
SURGEON GENERAL'S OFFICE,
U. S. ARMY MEDICAL MUSEUM AND LIBRARY,
Corner 7th and B Streets S. W.,

S.P.L. OCT 17 1893

Washington, D. C., October 17, 1893.

Prof. S. P. Langley,
Secretary, Smithsonian Institution,
Washington, D. C.

Dear Sir:

The scrapings from the stains on Mr. Lincoln's chair have been examined by the Microscopist of the Army Medical Museum, Dr. Wm. M. Gray, and found to be blood.

Very respectfully,

Your obedient servant,

W. A. Reed

Captain and Assistant Surgeon, U. S. Army
Curator Army Medical Museum.
