

45
Department of State,
Washington, 30th October, 1862.

To the Right Reverend
Archbishop Hughes,
New York.

My dear Archbishop:

I have received
and thank you for your luminous
and patriotic letter of the 28th. in-
stant. Your request in regard to those
which you addressed the Department
from Europe, shall be complied with,
as soon as the pressure of business con-
sequent upon the approaching meeting
of Congress shall have been removed.
Allow me, however, to add that ac-
cording to my impressions, I am not
aware that your interesting commu-
nications require correction in any respect.

I remain, My dear Archbishop,
Faithfully Yours,

Wm. Seward.
