My dear Greene,

Your foot-fall was  
soft, for I did not  
hear you this morn,  
altho' I was awaked  
by the matin bell, &  
you did not give me  
an opportunity of say-  
ing Good bye, I will  
now to express the pleas-  
ure I have had in  
yr visit. Ever yours,

Charles White
