

Engineer Department
Washington Feby 10th 1863

Brig Genl G. W. Cullen
Chief of Staff of General in Chief
Washington

General

I have to report, for information of the General in chief, that this Department has just been informed by Messrs Thomas Booz & Bro. of Baltimore, custodians of a Ponton bridge Train which under the Generals instructions of the 29th ulto., was placed subject to the order of Brig Genl S. P. Woodbury, Command Engineer Brigade of the Army of the Potomac, has been taken possession of by Capt W. V. Personious, 50th Regt N. York, Volunteers, acting under orders, through Brig Genl Kelly, from Maj Genl Schenck.

Messrs Booz & Brothers understand that the Train has been, or is to be, transported to Harpers Ferry.

I am, Very Respy
Your Most Obedt

W. J. Wittm

Brig Genl B. W. Fallum

Chief of Staff of General in Chief

Washington

General

I have to report, for information
of the General in Chief, that this department has
just been informed by Major Thomas that the
of Baltimore, destruction of a Union Army train
which under the General's instructions of the 27th
was placed subject to the care of Brig Genl
A. P. Woodbury, Commanding Engineer, troops of the
Army of the Potomac, has been taken possession
of by Capt. W. B. Garrison, 27th Regt of Mass
Army, acting under orders, through Brig Genl
Kelly, from the General's orders.
The fact that this destruction was made
has been as a result of the capture of papers

Very respectfully,
 Wm. T. Totten
 Major - Genl
 USA

200. T. TOTEN
