

Baltimore, Md. June 28 1863.

Maj. Genl. Halleck,
Commander in Chief,
Sir,

After organizing the defenses of Maryland Heights, & holding them until the last Army Corps of Lee's Army had passed, I found myself relieved by Maj. Genl. French.

I have been ordered to report here, where I am placed in command of new Regiments just arrived for the defense of Baltimore.

I make this report for future reference, when the military movements now making shall have ended.

I am, Sir, Very Respy, Your Most Obedt
Servt
