War Dept.

W. C. Brewer,

368. Washington, Apr. 6. 1867.

Respectfully forwarded to
Gen. Halleck; This reg-
-iment was complete and
and ready for service - at the
date of this notification. As
to when it can best ^{be} used I
have no means of knowing;
it is not needed here for in-
struction - but if it is desired
to put it in camp - I see no
reason why Annapolis would
not be as good a point as could
be found.
