

H. Qr., Cavalry Corps, M.D.A.  
Gravelly Sp. Ala. Feb. 28 '65.

Respectfully forwarded  
approved and recom-  
mended. I hope this  
regiment will be returned  
to the division to which  
it belongs. Gen Hatch is  
one of the best officers in  
our service - and can  
care for the regiment  
better than it can possibly  
be provided for while hunting  
querrillas.
