My dear Browning.

I am here with a small portion of
my family (my ~~mother~~ wife Adelaide &c
return on Monday) — and tomorrow, Sunday,
I dine at home at six o'clock — I wonder
whether Mrs Browning will part with you
& whether you will come & dine with me then.

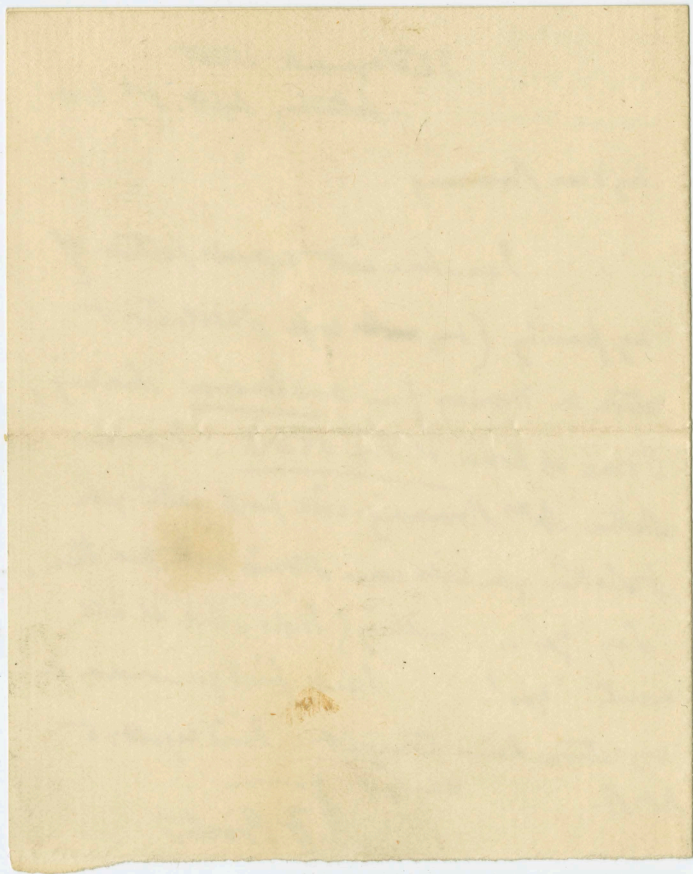

Say 'yes' — willingly I hope, but at all
events 'yes'. I shall find your answer on

my return home tonight. Kind regards to

Mrs B.

Always yours
