My dear Browning 1868

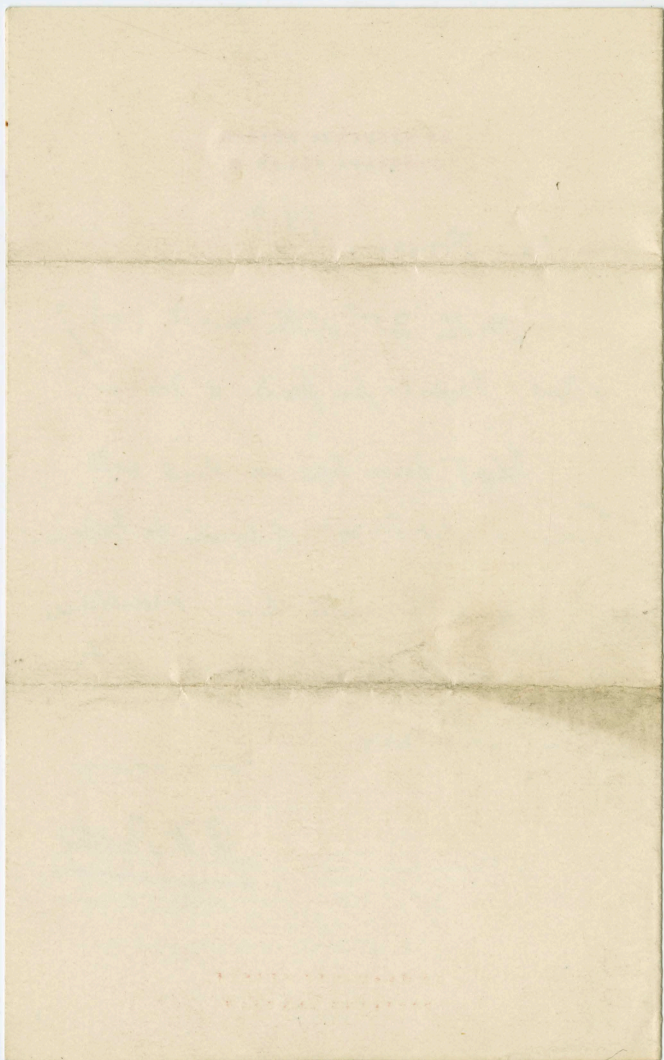

On the 21<sup>st</sup> of this month - at 7  
o'clock - I expect a few friends to dinner.

I don't know how you stand with  
Forster now: but He will of course be here.

If you dislike meeting him - I would prefer  
coming <sup>here</sup> another day - Let me know - if you  
please which way.

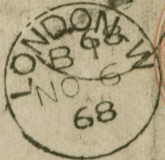

Yours always

B. W. Procter.
