32 Weymouth St.

Portland Place W.

My dear friend

Should you be in London, dont wait  
until Sunday. Your dear old friend is very  
ill indeed. The difficulty of swallowing  
has increased - and he cannot take sufficient  
nourishment - I had gone to Bournemouth  
but came home sent for by Telegram. -

Yr affec<sup>n</sup>.

Ann. D. Procter

That poor Sir Charles Dilke.
