President Harry Pratt Judson,
University of Chicago,
Chicago, Ill.

My dear President Judson:

I am writing in behalf of the Nominating Committee of the American Mayflower Council to ask if you will serve as one of the Vice-Chairmen of the Council. They understand that you will probably be unable to give time to the details of the program which the Council hopes to carry through. An Executive Committee will care for these. It is believed, however, that the effectiveness of the Council's work will be greatly increased if they can have backing of representative men and women like yourself.

President King of Oberlin is being asked to serve as Chairman, and the Vice-Chairmen selected are:

Gov. Calvin Coolidge, Boston, Mass.
Hon. Charles E. Hughes, New York City
Mr. F. V. Fennybacker, Austin, Texas
Mrs. Philip North Moore, St. Louis, Mo.
Rt. Rev. Charles H. Brant, Buffalo, N.Y.
Major Robert R. Norton, Tuskegee, Ala.
Hon. J. A. Macdonald, Toronto, Ont.
Mr. J. W. Baer, Pasadena, Calif.
Bishop F. J. McConnell, Denver, Colo.
Dr. Niles Standish, Boston, Mass.
Hon. Robert Laneing, Washington, D. C.
Hon. Oliver Wendell Holmes, Washington, D. C.

The Executive Committee is to meet next Monday, January 26, and I hope we can have your favorable reply by that time.

Sincerely yours,

Stacy R. Warrington
Secretary of the American Mayflower Council.
Dear Mr. Jarvis,

I am writing in response to your recent letter regarding the future of the Churches of Christ in America. Your concern about the stability and direction of the organization is well founded. As the President of the Churches of Christ in America, I feel compelled to address these issues directly.

Our current situation is one of significant challenge. The financial strain caused by the recent economic downturn has had a significant impact on our operations. The need for increased fundraising efforts to sustain the educational and missionary programs is urgent. Without immediate action, we risk compromising our core values.

I believe it is essential that we take a proactive approach to ensure the long-term viability of the Churches of Christ in America. This includes exploring new avenues of support, streamlining operations, and reassessing our strategies to achieve greater efficiency.

I am confident that with the dedication and commitment of our membership, we can overcome these challenges and continue to advance our mission. Together, we can ensure that the Churches of Christ in America remain a strong and vibrant entity, dedicated to spreading the message of Christ and supporting those in need.

I appreciate your concern and encourage you to stay involved in this important work. Let us work together to ensure the continued growth and success of our organization.

Sincerely yours,
