

AMERICAN SCHOOL OF CLASSICAL STUDIES AT ATHENS.

Dale College

June 4, 1892

Dr. Harper

My dear Sir,

At their last meeting
The Managing Committee of the
American School of Classical
Studies at Athens voted unan-
imously to invite the Univer-
sity of Chicago to unite with
the other colleges which are
associated in the support of
the School. The School
has an endowment fund
of \$50,000, but its chief in-
come is derived from the

contributions of the
sustaining colleges and
universities, each of
which pays \$250 a year,
which is needed before
Nov. 1 of each year, and
generally paid in June.

Trusting that the Univ.
ersity of Chicago will
accept this invitation,
I am very truly yours,

J. D. Seymour
Chairman of the Managing
Committee of the School.

To
President W. R. Harper,
University of Chicago.
