May 26, 1924

Mr. Ernest DeWitt Burton, Acting President,
University of Chicago,
Chicago, Illinois.

My dear President Burton:—

At the annual convention of the American Association of University Women held in Washington, D.C., April 21-25, 1924, the following change was made in the by-laws of the Association:

"Each college and university recognized by the Association may be a member of the Association and shall by virtue of such membership be entitled to send a regularly accredited delegate to national conventions and to sectional meetings within its own section.

"The dues of each corporate member shall be $25.00 a year, payable November 1st to the National Treasurer.

"At the annual convention each college or university shall be entitled to one representative appointed by itself, whose credentials shall be signed by the Executive Secretary."

There has been a considerable expense to the Association in connection with the study of universities and colleges and the continued relationship with these institutions through correspondence, Journal, convention, etc. Hence, the Association has decided to ask an annual fee of twenty-five dollars from the universities and colleges on its national approved list.

The fiscal year of the A.A.U.W. begins June 1. The corporate dues may be paid any time after June 1 and before November 1.

Very sincerely yours,

Executive Secretary.

Mr. President, Faculty, University of Colorado

Dear Sir: Thank you for your letter of yesterday, May 11th, 1919.

I am glad to learn that the Association of University Women of the University of Colorado will meet in the University of Washington, Seattle, on June 7th. I hope to be able to attend this meeting as it is the first time that the Association has held a meeting in the Northwest.

The Association has shown great interest in the work of the college and has done much to promote the welfare of women students. I am glad to learn that the Association will meet in Seattle, as it will give me an opportunity to see some of my old friends from the University of Washington.

I hope to be able to attend the meeting and to participate in the discussions.

Yours very truly,

My dear Miss Talbot:

Mr. Tufts has suggested that I send you the enclosed letter which is apparently a copy of one sent to President Burton last May, which I failed to find in our files, for your comment.

There is no urgency in this matter, but if you do know that such an expenditure as the Association proposes to be desirable, the University would probably not hesitate to act upon your recommendation.

Very truly yours,

William E. Scott  
Secretary to the President.

WES-A

Miss Marion Talbot,  
Holderness, N. H.

This expenditure seems to me not only desirable, but even essential if the University wishes to hold the respect and esteem of the 18 or 20 thousand college women who belong to the Act.

Dear Mr. Scott:

The Committee on Expenditures at its meeting held September 3, 1924, approved the payment of $25 as annual dues in the American Association of University Women as recommended by Dean Talbot in the attached correspondence. If you will send a requisition together with a memorandum of the name of the organization, address and amount, we are now in a position to have the payment arranged for.

Yours very truly,

Assistant Secretary.
To the Committee on Examinations:

The associate professor of Spanish, 1930, approved the
recommendation of Mr. E. R. B. on the case of
Mr. W. A. Hockett.
