Friday morning,
October 24, 1919.

Dr. Harry Pratt Judson,
Chicago.

Dear Dr. Judson:

The generous pledge you made last evening, will be more than doubled in relief value, if you will be present at the NON-SECTARIAN MASS MEETING, Medinah Temple, Sunday evening there to announce the gift in person and thereby stimulating others to like generosity.

Mr. Julius Rosenwald, Major General Leonard Wood, Dr. Nathan Krass, who are to plead for the War Sufferers join me in urging that you be there.

I am accordingly enclosing special tickets which if presented before 8:10 P.M. will entitle you and your party to reserved seats, Sunday evening, October 26th.

Should it unfortunately be impossible for you to attend, I shall announce your gift in your name, but I again emphasize your presence will help the Cause as much as your liberal contribution.

Cordially yours,

Abel Davis

Dear Colonel Davis:

Thank you for your kind note of the 24th with enclosed tickets. I am sorry that my engagements for Sunday night are such that I could not be present at Medinah Temple. I wish that I could. My entire sympathy as you know is with this very pressing cause. As far as my own modest contribution is concerned it is not at all worth while to announce it. I wish that I could have given more, but there are so many causes to which I feel that I should contribute that I cannot make it larger.

Very truly yours,

Colonel Abel Davis,
