ask that you officially recognize us as the University of Chicago chapter of the Delta Sigma Phi Fraternity.

Our purpose is to maintain a fraternity, which will not exclude any one on account of his religion.

The Delta Sigma Phi is a powerful national organization, which admits to its membership men of all creeds. Its reputation is absolutely unsullied and is as far reaching as a membership of about 1000 could make it. It is listed in Baird's American Manual of College Fraternities and in similar reference works. The number of chapters is eight and they are located as follows: College of the City of New York, Columbia, New York University, Cornell, University of Texas, Trinity University Alabama, Polytchnic Institute and Washington and Lee University. The fraternity is about to enter the University of Virginia, Waynesburg College, Pa. and the University of Kansas.

The fraternity was organized in 1901 at the College of the City of New York. It is therefore a comparatively young organization.

At Texas University, Trinity and at the College of the City of New York, the chapters of the Delta Sigma Phi are the leading chapters at the respective institutions.

On Tuesday, Nov. 22nd., a delegation of our group visited President Judson. They explained to him that we have been negotiating for the past eight months with the Delta Sigma Phi fraternity and that we have been granted a charter by them. They told him that we were only awaiting official recognition before we would send for our charter, our pins and to lease a fraternity house.

President Judson not only appreciated our liberal movement, but he also promised us his individual support and the support of the faculty. In his official capacity, he promised us recognition as a part of the University and told us to proceed with the good work.

We have taken the final steps and are now awaiting official recognition by your body.

University of Chicago.

My dear Mr. Thompson:

Your communication in regard to the official recognition by the University of the Gamma Chi chapter of Alpha Tau Omega was received.

I think that the University regulation has been complied with in that Gamma Chi chapter is the outgrowth of the Alpha Omega club which was recognized by the University as a local fraternity. Your records will show that such a club existed last year. Alpha Omega petitioned Alpha Tau Omega for a charter and it was granted. The present members, with the addition of a few new ones, of the Gamma Chi chapter of Alpha Tau Omega have been granted official recognition as members of the Alpha Omega Club.

Perhaps the above explanation will be satisfactory. In case it is not, advise me and I will act in accordance with the regulation.

A copy of the house rules will be presented when official recognition is granted.

Very truly yours,

Mr. James Woolley Thompson

Director of University Housing

My dear Mr. Thompson:

Your communication of the fireplace was received yesterday. I regret very much that ATO wireless was not made ready to compete with the regulations of the University Housing Department. In any event, I enclose application hereafter for a special exception.

Possibly I have not been specific enough to avoid any misunderstanding. If not I shall be glad to furnish any further details. I have one note in the University Housing Department, especially those pertaining to the use of the fireplace.

I regret that I have not known exactly the requirements of the regulations and further that we should have notified you sooner of the necessity of your conference with you in regard to the matter.

I am,

Your very truly,

[A. D. H.]

My dear Professor Jackson:

At the last meeting of the Board of Students, etc., any such affair as an application from the P.A.O. fraternity was referred to your committee. If you could report at the next meeting of the Board to be held very soon, the young men would greatly appreciate it.

The fraternity is one of the best, having among its members such men as Ex-Res. Harriman, Major Smith, Dean Keefer of the law, in a college of law, the late Professor Smith, etc., etc.

I am sure a number of two of the Scroll which will give some some idea of the organization.
I cannot assure you that no such complication as the present one about the U.S. will arise in this case. The Grand cannot dare the Provincial Synod to leave actually granted permission to organize.

with much respect— I remain

Very sincerely yours,

J. W. Munn chief.

Hoping that this will meet with your approval, and that our application may now have your complete approval, I am,

Dear W. R. Harper,

The University of Chicago,

dear sir:

I beg leave to inform you that the University of Chicago chapter of Sigma Nu fraternity has surrendered its charter and severed all connection with the general fraternity, being now a local club having no connection with any fraternity, and known as Z. V.

The active members are: Stacey, Smith, Ballagh, Collins, Clark, Reed, Allen, Cremins, Dair, Peck, Dwyer, Rogers. The club rooms are 544 4th Ave.

Very truly yours,

R. J. Rogers
Recorder D. N.
Mr. S. S. Broadnax,

Dear Sir:

Complying with your request I beg leave to state that the New Alpha Fraternity has for its objects the fraternization of kindred spirits, men and minds that may lead to each encouraging and supporting in their life work. To be an active member one must first be a "fellow" and normally must have been elected into the organization.

Though your request is, I think it hardly necessary to state that we are not organs for purposes of gambling, drinking and debauchery in general.

Yours Very Respectfully

Fritz Reidenauer
