President Judson,
University of Chicago.

Dear President Judson:

When Dean Capps left the University last spring, Spelman House was left without a counselor. At a recent meeting of the House Dr. Butler was elected to fill Mr. Capps’ place. Dr. Butler has expressed his willingness to become Counselor of Spelman House if you and the Board of Student Organizations approve our choice. We hope soon to
receive a favorable answer from you.

Sincerely yours,

Louise B. Seaman

It is charmingly kind of you to renew at this time the invitation to visit you. I cannot tell you what delight it would give me to do so, nor my pleasure at being thus remembered. I thank you warmly for the summer I have refured several alluring invitations. My sister is still struggling with the depression of extreme nervous prostration. Time, quiet, patience, and hope are the requisites for her recovery. I never need leave her. We go next week to Forest Hill.
To Mrs. Smith: I am writing this as a reminder of your kindness. I kindly do trust that you may feel the spirit of my letter.

Is it possible for me to deliver this letter to Mr. Smith at the earliest possible time? Your prompt response will be greatly appreciated.

I am sending an enclosed check. She thinks it better to have it made payable to you— and hopes that Mrs. Smith will accept it as help in her emergency.

We have only now secured the Hollinger photograph of dear John Harper. It is truly excellent and will serve...
Fresenian Class
Board of Student Organization

Mr. President,

Dear Sir:—

I wish to present to you the facts concerning the formation of the freshman class. As yet this class has no constitution, but it has met and elected officers: these are Harold Smith, president; Hargrave Long, vice-president; Dorothy Buckley, secretary;
and Morris Briggs, treasurer. Our purpose is to get the freshmen of all the colleges together as a whole to create better fellowship. In the present college system it is made rather difficult for students who are just entering to get acquainted with their class. And so, by a few social events we hope to increase friendly feeling and stimulate college spirit and interest.

The first social event will be an informal dance to be given Friday, February seventh, in the Reynolds Club from four until six in the afternoon.

Your truly,
Dorothy S. Buckley
