Dear Mr. Judson:

Attached please find copy of a resolution on  
the Daylight Saving Law as forwarded to Washington by  
The Chicago Association of Commerce.

In accordance with a resolution passed at  
the meeting of the Presidents' Council Monday, February  
24, this is sent to you for such action as you elect.

There seems to be great necessity for prompt  
action if this daylight saving law is to be retained  
and if action is to be taken by your organization it  
will be enhanced by the promptness with which it is  
taken.

Very sincerely yours,

*Harry H. Merrick*

Chairman.
