Prof. W. R. Harper  
President Chicago University.

Dear Sir:-

Dr. O. S. Marden, editor of Success  
desires me to discover if possible if you  
would object to being interviewed on the  
subject of success in life, and if not to  
undertake a visit to Chicago, in order to  
report you correctly. At the same  
time Mr. Green, editor of the Metropolitan  
has asked me, in the event of my  
visiting Chicago, to prepare an  
article on the subject of the University  
and its work.

It would gratify me much to  
be able to fulfill these commissions  
satisfactorily, and I desire to know  
whether you would give me an hour
