Dear President Judson:-

I note with pleasure that you are one of a committee to appoint a commission to report on the Chicago Public Library, and I am taking the liberty of writing you and requesting that you carefully consider the wisdom of appointing Dean Thomas F. Holgate on that commission. I am confident that Dean Holgate's habit of getting at the bottom of things, his judicial temperament, and his constructive ability will make him an exceptionally useful man on such a commission.

Very sincerely yours,
