My dear Dr. Hirsch:-

As you doubtless unofficially know, the Board of Trustees has decided to undertake the erection of a library building in the University Quadrangle as a memorial for Dr. Harper. It has been decided further that the cost of this building will be about \$1,250,000. The raising of this fund is the problem now before us. I need not say that we have large encouragement from important quarters or so heavy an undertaking would not have been assumed. The matter has been systematized and a number of lines of work have already been organized. I write particularly in the hope that our Jewish friends may be interested in the matter and may be willing to undertake a part of this work for themselves by way of indicating their appreciation of Dr. Harper. Naturally I turn to you first in the matter and shall be exceedingly glad for suggestions. I should be glad to confer with you

Pres. Wm. R. Harper,

University of Chicago, City.

Dear Sir:--

As it is utterly impossible for me to contribute to everything, however worthy the object, I am constrained to return the enclosed tickets.

In this connection will you allow me to ask you whether I am entitled to the use of the prefix to my name, "Prof." ? I am not a great stickler for titles or etiquette, but as I notice in the announcement of the University Extension, that with something like studied zeal this prefix is omitted in case of my name, I begin to doubt whether the election of which I have been officially notified was bona-fide.

A reply to this will greatly oblige,

Yours truly

Dear Sir:--

As it is utterly impossible for me to contribute to
everything, however worthy the subject, I am constrained to return
the enclosed tickets.

In this connection will you allow me to ask you whether I am
eligible for the use of the title of "honorary member"? I am not
a great speaker for titles or etiquette, but as I called in the
announcement of the University Extension, and with something
like added zeal this prefix is omitted in case of my name, I
begin to doubt whether the decision of which I have been offi-
cially notified was born-true.

A reply to this will greatly oblige,

Yours truly,
