My dear Mr. Hyde—As favor change of date and confirms his
engagement with federation New York March seventeenth personally
deeply sorry that our will be changed
you for the same. I can assure you that the whole matter is a
source of great disappointment to us. Our Dean, Mr. Judson, called
on the Ambassador, and he expressed himself as entirely willing
to come to Chicago for the seventeenth if the change could be made
with the federation. As you know, our date is a fixed date and one
which we cannot change. Mr. Cambon and other friends of the
Ambassador had asked us to confer the honorary degree on Jeserud
and we had planned to do it. This upsets all of our plans. As I
have indicated in my telegram, it makes it impossible for me to be
present at the meeting of the Federation. I cannot adequately
express my disappointment in the whole situation.

Yours sincerely,

My dear Mr. Jusserand:—

I am writing to express to Madam Jusserand and yourself an expression of my great appreciation of your courtesies to me in Washington and in New York. I cannot sufficiently tell you how much I enjoyed your hospitality. I regret very much to say that on my return my old trouble attacked me again and I am now in bed looking forward to an operation in the hospital. I am inclined to take all this as philosophically as possible, and remember that many of my friends in these last years suffered from illness much more than myself.

Please accept for Madam Jusserand and yourself the best wishes of Mrs. Harper and Miss Davida. I think that the latter has already written to Madam Jusserand.

Dear Dean Judson,

I hope you have been well and thank you for your letter, with a house full of painters, carpenters, and other artists, some of the best
and the others of the noisy class, latter writing or any writing becomes a matter of doing difficultly.

I had not understood that I was expected at Chicago on the 16th; so that I had some rather devious impressions to remove in order to be able to accept to the full your invitation.

But all has been arranged now and I shall leave with my wife on the 13th, as Professor Henzen asked me to.

Looking forward with great pleasure

Dear Dr. Harper,

We are going north for a few days' rest.

We see you are in New York.

We cross Great Gotham on Sunday 21 July. We arrive at the ferry at 3.15...
and leave by the central station at 5:2.

If the train is not late, I ought to leave us a chance to call at the Manhattan hotel and see you for a few minutes. Will you be there? Stay at 16 or 17? If we be so pleasant to see you, talk conversation, and offer our good wishes to you!

Please telegraph to me to see what is our chance to get together.

My dear Sir:—

We are very anxious to have M. E. Babot lecture at the University during the Summer Quarter. He has made application to the French Government and permission has not been granted. I am wondering whether you could emphasize the desirability of his coming and secure his release. It is important that he should reach here two weeks from today, so that no time is to be lost if anything is done.

We have to confess that we should have written you some time ago about this, and realize that it is not quite fair to you to press the matter at so late a date, but I have thought that in spite of these difficulties you might be able to help us.

We are very anxious to have Mr. Ebert accept the position of the University Cartier the summer quarter. He has made application to the branch government and parsonage, but has not been granted. I am wondering whether you could

It is important that no special reason arise to make extra-to-day.

So that no time is to part it is premature to gone.

We have to conclude that we should have written you some
time to report this and conclude that it is not due time to

you to place the matter as to take a gate, but I have thought

that it might be of some assistance you might go aside to part

Mr. J. J. Jusserand,    Yours very truly,

French Ambassador,    W. R. Harper

Washington, D. C.

My dear Sir:

It was unpardonable in me to write you about Babut without giving fuller information. I really expected my secretary to furnish it. I trust that my answer was full.

In fact we have little information concerning him beyond the fact that we know that he is one of the instructors at Valenciennes.

I am hoping that the health of Madame Jusserand continues to improve. I can assure you that I am making progress every week. Mrs. Harper and myself will spend next week in New York city. It would be a piece of good fortune to us if it should happen that you or Madame Jusserand should be in New York city during this week.

I wish further to raise the question when we may have the pleasure of a visit from you and an address at the Convocation. I am writing to suggest that you consider two dates, namely, December 19th, or March 20th.

Hoping that you will have a very pleasant summer vacation.
June 6, 1925.

In spite of the uncertain attention to my instructions you have received, I still anticipate your arrival on the 8th of June in London to spend three weeks here. I have no expectation of being able to return to America at that time, and I would be glad to have you remain an additional month to explore the country and take an interest in British institutions.

I am quoting from the last of your letters with reference to the meeting which you are to attend in New York on the 1st of July. I feel sure that my request will be acceded to, and that you will be able to attend the meeting and make full use of the opportunity.

I am forwarding this letter to your address as you have been instructed. I am also attaching a copy of my letter to the Secretary of State, which I hope you will find useful.
