Mr. Charles E. Darling, and Mr. Charles E. Koch

543 Rand McNally Building,
Chicago, Illinois.

Dear Sir:-

Your letter of recent date regarding the participating of students of the University of Chicago in the Flag Day Celebration of Decoration Day was received and the matter was at once taken up with the student councils who form the medium of communication with the body of students. It was felt that inasmuch as the day was a holiday many of the students had already made plans for the day which would prevent them from participating. You understand that our students are not required to be present Saturdays and many of them leave the city over Sunday. After careful consideration, therefore, it is evident that only a very small number of students can be secured to participate and rather than have the representation unworthy of the University it seems best to forgo participating with you this year.

If the event is to be made an annual affair and another year we are informed a little earlier we will make every attempt to have the University represented.

Yourstruly,

F. W. Shepardson
Secretary to the President

I am enclosing a copy of the letter you have written them.

Mr. John D. Farina, Jr., has been appointed President of the University. He is a graduate of the University of Chicago and has been associated with the University for many years.

I am enclosing a copy of the letter you have written them.

Yours sincerely,

P. M. Schofield
Secretary to the President
Dear Sir:

I beg to acknowledge your letter of recent date regarding the participation of the students of the University in the celebration of the 300th anniversary. I have taken the matter up with the Student Council who represent the student body, requesting them to find out the sentiment of the students in regard to the matter. I will be glad to report to you if it seems possible for us to cooperate. The day is a University holiday when many of the students visit their homes.

Yours truly,

My dear Sir:-

The National Flag raising ceremony, which is to be held at Jackson Park on the morning of May 30, 1903, comprises a parade which will form on the Midway Pleasure and be under the direction of Chief Marshall, Colonel Charles R. E. Koch. It will be composed of Troops from Fort Sheridan, the Illinois National Guard, the various quasi-Military Societies, such as the Sons of the American Revolution, Military order of the Loyal Legion, Spanish American War Societies, etc.

This Committee would like, if possible, to have the University of Chicago represented in the parade with a division composed of students of the University with their band. We believe that the sentiment of the occasion, that of cultivating and fostering the proper respect for our National Emblem, is one that you are heartily in sympathy with, and that by participating in the parade, the
students of your University would be rendering aid to a very desirable cause.

If the proposition meets with your approval, will you kindly advise me so that we can make proper arrangements for your University to be represented in this parade?

Awaiting your reply, I have the honor to remain,

Very respectfully,

To the Members:

The forthcoming number completes the current year. Every member, old and new, is asked to contribute a reply to one of the following questions:

What are your plans for the Summer?
What is the outlook for “good times”?
Is the California Alien Law unpatriotic?
What will become of Memorial Day?
What question is still more important than these?

Thanking you in advance for your prompt reply.

Chicago, May 5, 1913

Dear Sir:

In answer to your queries I beg to say:

1. I am expecting to spend the summer with Mrs. Judson in Great Britain.

2. I am neither a prophet nor the son of a prophet, and would not venture to predict the business outlook for the near future.

3. It seems to me that the California Alien Law at the present time is inadvisable and unpatriotic.

4. Memorial Day I trust will continue to be celebrated worthily in honor of those who have given their lives for the nation. I do not sympathize with its use as a day of general junketing.

Very truly yours,

H.P.J.  L.

Dear Mr. Judson,

I am in answer to your request I take to say

I am expecting to spend the summer with

Mrs. Judson in Great Britain.

I am notified a passenger not the son of a

member, and cannot not continue to proceed the purpose

of the present time is to get the California gold.

In the interest of the nation, I go not sympathetic

with its new as a gay of General Trumpph.

Dear Mr. Douglas:

Although May 31st will be a holiday the University will celebrate Memorial Day by holding a meeting in Leon Mandel Assembly Hall at eleven o'clock. Will you have the hall ready as follows: lower the curtain; provide chairs for the combined choirs at the west of the stage; provide three speakers' chairs and chairs for the band in front of the platform; decorate with large American flags.
