Dear Mr. Van Houten,

The meeting last Wednesday was very satisfactory. Dr. White, Director of the Brooklyn Historical Society, and I acted as Secy. All had a free discussion of the subject. The committee recommended a Board for the organization of topics covering lectures on the history of religions, and a committee was elected: Dr. William D. Bunting (Dean), Prof. H. M. Temple, Dr. G. W. H. Strong, Rev. Dr. P. H. H. Grundy, Dr. J. S. C. Metz, Pres., and Dr. E. H. A. P. W. Tourtellot (Cornell).

Dear Mr. Later,

I was much interested in the recent letter you received from Mr. R. B. Smith about the proposed development of the site near our village. As you may recall, the land in question is currently owned by the Smith family, who have lived in the village for generations. They are eager to sell it to the highest bidder, but I understand that you are hesitant to proceed with the purchase due to the environmental impact.

I appreciate your concern for the environment, but I believe that this could be a unique opportunity for the village to expand and provide more amenities for the community. The land is not only rich in natural beauty, but it also has the potential to become a valuable asset for future generations.

I urge you to consider the long-term benefits of this investment and to work with Mr. Smith to negotiate a fair price. It is crucial that we act quickly, as he has given us a deadline of the end of the month to make a decision.

Thank you for your time and consideration.

Yours sincerely,

My Dear Brother,

I may not be able to be at the University this morning (Friday) before one o'clock, so mean while you form an Arabic or any other class for me. I shall be ready to meet the gentlemen at two o'clock. I do hope that we will be able to form at least one class.

Dear Sir,

I am sorry to hear of your illness, and to learn of your severe illness.

I am in the midst of a very busy period, but I will try to assist you in any way I can.

Yours sincerely,

P.S. I have enclosed a check for your medical expenses.

My dear Sir:

I am sorry I cannot accept your kind offer. I am bound to attend some urgent business in London, and I fear I must defer my visit. I am very anxious to see you, however, and shall be delighted to meet you as soon as possible.

Yours sincerely,

I know that you are busy, but for the sake of American scholarship which ought to be well represented. By the way, it occurs to me that if we are to have a World's Fair in New York in 1893, why not have an International Mental Congress in the Country? The occasion will be an excellent one to bring together many learned Indies to this Country - or, the above will at least bring to mind that you are of men to feel proud of the work done by the leaders of the future and I think you in the subject.
Dear Mr. Jastrow:

Permit me to thank you for your very frank reply. As case of necessity demand to a candidate my name with your brother's. I know you deny my very best regards will soon be of a friendly nature.

Really, I am replying because I have not had time to get in the picture of Senate ability with our best friend having received a capital sum of $100,000.

I am very grateful for your kindness in stating that I wrote to Angell in regard to the matter early in November last. The answer was vague - since then other hands have dealt with your letter. I am, Very truly,

My dear Dr. Halpern,

I visited the western town near you, about 50 miles from your committee meeting. It seems to me awfully queer that the New Haven office of the Western Union should not know anything of your whereabouts, when I asked that the message be repeated if necessary.

You have doubtless read a copy of the speech. If you can't attend on that date, let me know. The others
may accommodate themselves to the date necessitated by the journey of the most distant attendant. think I shall or stay away. Let's think about 90; if it is on Mon. or Wed. or Fri.

Sincerely yours

Cambridge, Nov. 4, 1891. Wed. morn.

As Prof. WM. R. Harper is unable to be at New York on Sat., Nov. 7, the meeting of the Directors and Committee of the American Oriental Society will be postponed.

It is now suggested that the postponed meeting be held in Professor Gottheil's room at Columbia College, No. 54 East 49th street, New York, at 11 o'clock, Saturday morning, November 21. Further notice will however be given.

Dear Harper:

Dr. Ward shows on me the responsibility for the precise date of the 1891 Congress Com. meeting.

as time Nov. 7th
