My dear Mr. Robertson:

I think it would be an excellent idea to get visitors to the Peace Congress to spend the week of the Congress in Chicago. I am enclosing a program of the Peace Congress, to be held in Chicago May 3, 4, and 5. Can we not appeal to the other visitors to the city for the chapel services next week? No University Preacher will be in residence, so that the chapel hour must be provided for in some way. Mrs. Mead is coming next week. I told her that we could let her know Thursday morning when she comes out to address the Women's Chapel. The speakers for the Wednesday afternoon meeting of the Congress are of such fame that we should get some of them at the University.

Yours very truly,

D. A. Robertson

Secretary to the President

Enc.

Secretary to the President.

Mr. George E. Vincent,

The University of Chicago.
My dear Mr. Robertson:

I think it possible on Thursday. I have spoken to the Peace Congress to address some of the women present at the Chicago meeting of the Congress in a week or two. I have been able to secure two or three of the leaders of the women's movement to come to Chicago and to make some of the women present at congress address the women of Chicago. The meeting is to be held on Thursday morning.

I hope to see you soon.

Yours very truly,

D. A. Robertson
President of the Peace Congress

Secretary to the President

Mr. George W. Vincent
The University of Chicago
Chicago        April 27th, 1909.

My dear Mr. Robertson:

I think it would be an excellent idea to get visitors to the Peace Congress to address the Chapels on Monday and Tuesday, and if possible on Thursday. I have checked the names on the program which appealed to me. I understand President Jordan is to be here all week. About the others I do not know. I would suggest that you communicate with Mr. Melendey, 174 Adams Street. Telephone Main 4040. I assume that these arrangements will be made as usual through the President's office in order to avoid confusion and conflict.

Yours sincerely,
