President Wm. R. Harper,
Chicago University,
Chicago, Ill.

Dear Sir:

Enclosed please find the illustrations for the article on "University Expansion" upon which you are now engaged. The cut of your photograph which the Secretary of the University recently sent us has not yet been finished. I am sorry to say that we have not as yet received any of the photographs of the Chicago University for which we wrote some time ago, so that we have not been able to include the cuts of that institution with the others. If not asking too much, would you be good enough to let us know whether or not it will be possible to get photographs of the university similar to those enclosed. We will be glad to stand any expense incidental to having them taken if you have not at hand any adequate pictures.

Very truly yours,
