The letter is addressed to Company's Hockey Tournament. It appears to be a letter regarding a hockey game that took place at 2pm. The letter is written in a formal tone, and there are some signatures at the bottom, which are not entirely legible. The content is not entirely clear due to the handwriting and the quality of the image.
MEMORANDUM OF AGREEMENT, made this 24th day of May, A.D. 1924, between THE UNIVERSITY OF CHICAGO, a corporation organized and existing under and by virtue of the laws of the State of Illinois, (hereinafter called the University), party of the first part, and the GENERAL FREE DISPENSARY OF WEST CHICAGO, a corporation organized and existing under and by virtue of the laws of the State of Illinois, (hereinafter called the Dispensary), party of the second part,

WITNESSETH:

WHEREAS, the agreement of June 9, 1875, recorded in Book 583, at page 256 of the records of Cook County, Illinois, between the Trustees of the Rush Medical College and the Dispensary, has been assigned to the University by virtue of a certain agreement dated the seventh day of May, A.D. 1924, between the Trustees of the Rush Medical College and the University, said assignment having been made subject to the consent of the Dispensary; and

WHEREAS, it is the desire of both of the parties hereto that the said Dispensary should consent to the said assignment of the said agreement of June 9, 1875; and further, that the terms and conditions as set forth in said agreement should be modified as hereinafter provided for;

NOW THEREFORE, in consideration of the mutual covenants, undertakings and agreements of the parties hereto, it is hereby mutually covenanted, understood and agreed between the parties hereto as follows:

1. The Dispensary hereby consents to the assignment by the Trustees of the Rush Medical College to the University of the said agreement of June 9, 1875.

2. The Dispensary agrees to execute, acknowledge and deliver to the University a release of a certain mortgage dated July 15, 1875 and recorded July 19, 1875 in book 582 of the records of Cook County, Illinois, at page 160 as document number 39330, which said mortgage was given to secure the loan of Eleven Thousand ($11,000) Dollars, referred to in the said agreement of June 9, 1875; and the said University agrees to execute and deliver to the Dispensary a satisfactory evidence of the University's obligation to the effect that the said University owes the principal sum of Eleven Thousand ($11,000) Dollars to the said Dispensary, and shall continue to owe said sum for the period expiring July 15, 1970, at which date the said sum shall be payable by the University to the Dispensary, and that the said University is to pay interest thereon at six (6%) per cent per annum, payable semi-annually on the fifteenth day of each July and January, in each year of the said term.

3. It is further mutually understood, covenanted and agreed that all of the terms, covenants and agreements between the parties as set forth in the said agreement of June 9, 1875 are now modified so that hereafter the said agreement of June 9, 1875 shall be and is to read as follows, and not otherwise, viz:

a. The University agrees to pay to the Dispensary the sum of Eleven Thousand ($11,000) Dollars on July 15, 1970, together with interest at six (6%) per cent per annum, payable semi-annually, as hereinbefore set forth. It is further agreed that
should at any time one full year pass and the University fail to pay the interest on the said loan, the loan shall, if the said Dispensary so elects, be terminated and the full amount of principal and interest shall then become due and payable. This obligation is evidenced by a separate instrument executed by the University of even date herewith.

b. The University shall provide rooms for the use of the Dispensary in the building known as Senn Hall, now erected and in the building to be erected at the northeast corner of Harrison and Wood Streets, Chicago, and to be known as the Rawson Clinical Laboratory, said rooms to have floor space of at least five thousand (5,000) square feet, and to be partitioned and arranged as the Dispensary may direct; and the University does hereby lease the said rooms to the said Dispensary for the term ending July fifteenth (15th) One Thousand Nine Hundred and Seventy (1970). The University agrees to provide heat and light for the said premises and maintain the permanent structure of the said premises in good condition and repair.

c. The Dispensary agrees to pay the University, at its office in Chicago, as an annual rental for the said premises the sum of Twenty-Four ($24) Dollars per annum, on the fifteenth day of July of each year during the term of this agreement.

d. The Dispensary agrees to maintain in the said rooms a free dispensary under such rules and regulations as the University may approve.

e. The University approves of the By-Laws and rules of the Dispensary now in force. But, there shall, during the continuance of this agreement, be no change in said By-Laws that will lessen the amount and character of the dispensary work done, without the consent of the said University, any other change being permitted without such consent. No person shall at any time be appointed Medical Superintendent of said Dispensary work without the consent of said University to such appointment.

f. The Dispensary shall see that so far as is practicable during the sessions of the University the cases coming to the said Dispensary shall be used by the attending physicians for clinical purposes, and that they, the said physicians, shall give the clinics faithfully and in the interest of sound medical education. The students of the said University shall be admitted to said clinics at all proper times under such rules and regulations as the said Dispensary now prescribes, but the said students shall not, during the continuance of this agreement, be charged any fee for the same without the consent of the said University.

g. The clinical professors of the University shall be allowed to use any of the clinical material of the said dispensary for clinical purposes in the buildings of the University hereinabove referred to, provided this shall always be done with the approval of the Medical Superintendent of the Dispensary and with the consent of the attending physicians in whose departments such materials shall fall.

h. This agreement is not intended to deprive the Dispensary of any right that it now has to establish other dispensary stations in West Chicago than their chief dispensary.

i. The University is not and shall not be in any way obligated under the said agreement of June 9, 1875 except as the same is hereby modified nor except as herein expressly stated.
The Depreciation of the Employment of the Workers

The majority of the workers in the USA have

been working for long hours and have

been subjected to harsh conditions.

These conditions include long working hours,

low wages, and lack of proper

healthcare.

The government has ignored

the plight of the workers and has

continued to exploit them for profit.

The workers have been the backbone of

the economy and have

been instrumental in creating wealth.

However, their efforts have been

largely ignored by the

government.

The government should

be held accountable for

the mistreatment of the workers.
IN WITNESS WHEREOF the parties hereto have caused these presents to be executed by their respective officers thereunto duly authorized, and their respective corporate seals to be hereunto affixed, in duplicate, the day and year first above written.

THE UNIVERSITY OF CHICAGO

Secretary
RUSH MEDICAL COLLEGE
of
THE UNIVERSITY OF CHICAGO

The title of this article states what is now, after twenty-five years of effort and waiting, an accomplished fact. The contract of affiliation entered into in 1898 was made with a view to an ultimately closer union. In making his gift for the erection of Senn Hall, Dr. Senn had this in mind. The contract of 1917 was expected to lead to it very soon. The decision of the Supreme Court of Illinois handed down April 14, 1924 approving the new contract of 1923, removes the last obstacle to its actually going into effect.

Under this new contract the University will conduct a medical school on the University quadrangles under the name of the School of Medicine of the Ogden Graduate School of Science. This school will continue to conduct the first two years of work for the M.D. degree, and eventually the last two years also. It will offer opportunities for research in connection with the departments of science conducted on the University quadrangles.

On the west side the advanced teaching and research already begun in certain departments will be gradually developed into what will be known as Rush Postgraduate School of Medicine of the University of Chicago. This school will be open to persons who have already obtained the M.D. degree and will provide opportunities for graduate study in the several clinical departments which is expected to be of the same grade as that which is pursued in other University departments offering work for higher degrees. Meantime, for at least four years,
RUSH MEDICAL COLLEGE

THE UNIVERSITY OF CHICAGO

T he office of the President offers a remarkable opportunity for a student who wishes to pursue a career in medicine. The university has long been recognized for its excellence in medical education and research, and the Rush Medical College is one of the leading institutions in the country. The college offers a rigorous curriculum that prepares students for careers in medicine and related fields. The faculty is composed of highly accomplished clinicians and researchers who are dedicated to excellence in education and patient care. The campus is located in a vibrant and diverse neighborhood that provides students with a rich cultural and social experience. The combination of these factors makes the Rush Medical College an ideal place to pursue a career in medicine.
while the Albert Merritt Billings Hospital and the associated laboratories are being built on the south side, the last two years of work for the M.D. degree will continue to be done at Rush Medical College on the west side, which, however, will be hereafter a College of the University of Chicago, having the same status, for example, as the College of Education or the Law School.

It is the belief of the representatives of Rush Medical College who have been interested in bringing about this result that by it the original purposes of the College will be realized in a larger degree, not only than was originally in mind, but than would be possible in any other way now in sight.

The representatives of the University welcome the new arrangement for similar reasons. They believe that by developing medical education at two centers in the city, one in close contact with the great hospitals of the west side and the other on the University quadrangles and in close contact with the graduate departments of science in the University, more can be accomplished for medical science and for medical practice than by concentrating work at either point.

Plans are being completed for the Rawson [Clinical building] to be erected on the present site of the Rush College clinical building. During the period of construction, the Laboratory building south of Harrison Street will be utilized for the work of the college, and the necessary changes in this building are about to be made.

It is hoped that arrangements will soon be made by which the Rush Alumni Association will be drawn into close relation to the Alumni Association of the University of Chicago.

Ernest D. Burton
President of the University of Chicago
The President of the University of Chicago and the Associated
Institutions have been quite willing, on the part of the alumni of the
University of Chicago, the University of California, the University of
California, and the University of Missouri, to arrange a conference of
their officers, for the purpose of determining the best means of
cooperating in the work of the University.

In this connection, it is desirable to call attention to the fact that
the University of Chicago has not only been an instrument in the
work of the American Association of University Presidents, but has
also been an active member of the Association of American Universities.

The President of the University of Chicago

President of the University of Chicago
President E·D. Burton
The University of Chicago

My dear Dr. Burton:

With reference to the several fellowships, namely: Ingals, Thomson-Bevan, Billings and Brower, which are the subject of the agreement with Rush Medical College authorized by the Board today, your attention is called to the fact that the Rush Medical College has been appropriating the following sums for the maintenance of these fellowships:

- Ingals $250.00 per year
- Thomason-Bevan $250.00 " "
- Billings 500.00 " "
- Brower 0

(Until the death of Dr. A. D. Bevan, at which time the annual payment of $250 is presumably to be met by a gift of $2,500.)

It appears that the Brower fellowship, for no particular reason, has never been granted, although the obligation upon Rush, and now upon the University, was just as strong in the Brower case as in the other cases. A son of the founder of this fellowship is said to be now upon the Rush faculty list. Mr. Harper suggests that he might not be continued since he has not been giving his courses recently. I give you this information for whatever value it may have.

Mr. Tenney thinks that it would be highly desirable for the University to institute the Brower fellowship. It need not necessarily be in the sum of $250 a year, but approximately that. You will know whether a special fellowship will have to be created or whether the name of the Brower fellowship can be attached to fellowship work which would be carried on in any event.
My dear Mr. President:

I am forwarding to you the enclosed<BR>papers relating to the treatment of Dr. A. P. DuBois, who was<BR>admitted to the University Hospital last year, July 10, 1901, for<BR>an operation of the bladder, and who was discharged<BR>September 1, 1901, in a condition of health<BR>adequate to permit of his return.{<BR>Dr. DuBois's case is one of the most interesting<BR>and instructive in the history of medicine which have come to the<BR>attention of the medical profession. It is a case of<BR>complete recovery from a disease which has been considered<BR>almost incurable. The patient was admitted to the hospital<BR>with a view to being operated upon for a cancer of the<BR>bladder, and the operation was performed in a thorough<BR>manner. The patient recovered from the operation, and his<BR>condition rapidly improved. He was discharged from the<BR>hospital on September 1, 1901, in a condition of health<BR>adequate to permit of his return to his home.<BR><BR>Yours truly,<BR>W. H. Halsey
With respect to the E. Fletcher Ingals Jr. Fellowship in Diseases of the Chest, Nose and Throat, I understand that this has been modified by a second understanding among Dr. Ingals' relatives, the Northern Trust Company, as Trustee of the estate, and the College. The effect of the understanding is to change the fellowship into a scholarship. I will endeavor to secure the precise statement of the Ingals Scholarship and send it to you.

Yours very truly,

G. O. Fairweather

Enclosed:
Agreement described above.
With reference to your letter of the 1st December, 1915, I have the honor to advise you that the payment of the balance due from the United States Government to the United States Government in the amount of $2,000,000 has been made as per your request.
May 17, 1924

Memorandum regarding E. Fletcher Ingals, Junior, Scholarship in Laryngology and Otology.

1. The agreement of April 30, 1901 provides for the E. Fletcher Ingals, Junior, Fellowship in Diseases of the Chest, Throat and Nose.

2. It appears that the Northern Trust Company is Trustee of the estate of Dr. Ingals, and that on December 23, 1921, John J. Glessner, as President of the Board of Trustees of Rush Medical College, certified to the Northern Trust Company that the requirement in the Ingals contract is being carried out as published in the annual announcement of Rush Medical College under the head of "Scholarships" and reading as follows:

"The 'E. Fletcher Ingals, Jr., Scholarship in Laryngology and Otology' yielding $250 annually, is awarded to a physician who is seeking to qualify himself for the practice of laryngology and otology. Opportunity is afforded the holder of this scholarship for advanced work and clinical training."

3. I conferred with Mr. Andrew Caswell, 2nd Vice President of the Northern Trust Company, who stated that the Northern Trust Company had accepted this notice of the change in the precise statement of the Fellowship and was acquiescing in it.

May 19, 1924

President Ernest D. Burton  
University of Chicago  
Chicago, Illinois  

Dear President Burton:

I have examined a copy of Mr. Max Epstein's letter with reference to his gift of $100,000 to the University.

Mr. Epstein's gift was for the building of a Dispensary. While he does not specifically state that it is to be used for a separate building he refers in his letter to the Dispensary as though it were to be a separate building.

Both the original plan for the South side of the Midway and the present plan provide for housing the Dispensary within the Hospital buildings. The present plan provides for a separate entrance to the Dispensary, and I have assumed that Mr. Epstein's name would appear on this entrance.

It would seem desirable to me to have Mr. Epstein's formal approval of the plan as it now stands. If you concur in this opinion, and if you so desire, I shall be glad to take the plans to Mr. Epstein and to attempt to secure such formal approval. May I ask you to let me know your wishes in this respect?

Sincerely yours,

May 19, 1939

President Industrial University
Goverment of Ontario

Mr. Minister of Education

I have examined a copy of Mr. W. E. Geddes’ letter

with reference to the file of 12,000 to the University.

Mr. E. Geddes’ reply has been published in the Daily

journal. It is not necessary therefore to raise it to

the attention of the University to the appearance in

the Press of a statement which is a part of an official

communication from the University and which I have

delivered to you in its entirety.

It is not essential that the University shall be made

responsible for the publication of the statement. It

is not within the province of the University to publish

the report of the Board of Governors. In view of the

above it may be expedient to make any necessary

correction in the newspapers.

Yours sincerely,

Dear Professor...,

I am writing to request... the prompt...

Please consider my application...

Very truly yours,

[Signature]

May we hear from you soon?

[Address]
To the Board of Trustees
Rush Medical College
Chicago, Illinois

Gentlemen:

On October 20, 1914, the A.D. Thomson-Bevan Fellowship Fund was created. This fund is the sum of Ten thousand dollars and was subscribed by Mr. A. D. Thomson and by Dr. Arthur Dean Bevan. The annual income from the fund was and is intended to provide a Fellowship in the department of surgery. The Fellow for the time being to serve as resident or house surgeon of the Presbyterian Hospital.

The A. D. Thomson-Bevan Fellowship Fund was placed in the custody of Mr. C. L. Hutchison, Treasurer of Rush Medical College, but the fund to remain under the control of a committee consisting of Drs. Arthur Dean Bevan, Oliver S. Ormsby and Frank Billings.

Now that Rush Medical College has formed a union with the University of Chicago, the committee above mentioned desires to transfer the A. D. Thomson-Bevan Fellowship Fund to the University of Chicago under the following conditions:

The A. D. Thomson-Bevan Fellowship Fund to become the property of the University of Chicago and to be maintained as an endowment and to be designated as the A.D. Thomson-Bevan Fellowship Fund, the annual income thereof to maintain a Fellowship in the department of surgery of Rush Medical College of the University of Chicago, or of Rush Postgraduate School of the University of Chicago.

Respectfully yours,

COMMITTEE

(Signed) Arthur Dean Bevan
Oliver S. Ormsby
Frank Billings
To the Board of Trustees

Ripon College

November 11, 1949

Governor:

On October 20, 1949, the A.D. Thompson-Healy
Fellowship Fund was approved. The Board of Trustees
conferred, and the Board of Trustees for the A.D. Thompson-
Healy Fellowship Fund was established. The endowed
fund was to be used to provide a Fellowship in the
Department of English. The Fellowship was to be used to
encourage research, and to advance knowledge of the
Department.

The A.D. Thompson-Healy Fellowship Fund
is set up to provide a Fellowship in English for a
graduate student. The Department of English, through
the Department of English, was to award the Fellowship.

The A.D. Thompson-Healy Fellowship Fund
was established with the intent of stimulating the
Department of English to attract and retain graduate
students. The A.D. Thompson-Healy Fellowship Fund
was to be used to support the A.D. Thompson-Healy
Fellowship in English, which was to be awarded to a
graduate student.

Respectfully submitted,

Counselor

Ingalls Thomson - Beran
THIS MEMORANDUM OF AGREEMENT by and between
DR. E. FLETCHER INGALS, of the City of Chicago, County of
Cook, and State of Illinois, party of the first part, and the
TRUSTEES OF THE RUSH MEDICAL COLLEGE, of the same place, party
of the second party WITNESSETH:

That the said party of the first party hereby agree
so as to pay to said party of the second part, at any time thereafter,
upon ten days notice in writing, (and on or before August 1,
1901, whether so notified or not), the sum of Five Thousand
Dollars ($5,000.) for the use of said College, in aiding the
construction of the NICHOLAS SENN BUILDING;

IN CONSIDERATION OF WHICH the said Trustees agree
as follows: To pay to said party of the first part on the
1st day of January, 1903, a sum equal to the interest upon
said Five Thousand Dollars ($5,000.) at five per cent. per an-
um, from the date when the same shall actually be paid by him
hereunder; Also, to pay to him the sum of One Hundred and
Twenty-five Dollars ($25) on the first days of July and
January thereafter, during his lifetime. And, further, that
at and after his death, it will maintain a Fellowship in said
College, which shall bear the name "E. FLETCHER INGALS, JR.
FELLOWSHIP IN DISEASES OF THE CHEST, THROAT AND NOSE", or
such other name as he may in writing designate, - it being ex-
pressly agreed that said party of the second part may, at any
time hereafter, extinguish its liability hereunder by the pay-
ment to the said party of the first part, or his heirs, execu-
tors or administrators, of the said sum of Five Thousand
Dollars, ($5,000.)

IN WITNESS WHEREOF, the said party of the first
part has signed his name and affixed his seal, and the said
party of the second part has caused these presents to be signed
in its corporate name by DELASKIE MILLER, its President, and
attested by THOMAS W. GOODSPEED, its Secretary, and its cor-
porate seal to be hereof attested on this 30th day of April,
A.D. 1901.

Mr. Fred Koch, Assistant Secretary,
Northern Trust Company
Chicago

Dear Sir:

This is to certify:

1.-That Rush Medical College chartered in 1837 under the laws of Illinois is an institution conducted solely for educational and scientific purposes and that no part of the income inures to the benefit of private stock holders or individuals;

2.-That it is the intent of Rush Medical College to continue permanently its part of the agreement entered into April 30, 1901, between Dr. E. Fletcher Ingalls and the College by maintaining a scholarship to be known as "The E. Fletcher Ingalls Scholarship in Diseases of the Throat, Nose and Ear."

3.-That scholarship was established by vote of the Trustees within a few months after the death of Dr. Ingalls. The fact of the existence of this scholarship is published in the Annual Announcement of Rush Medical College under the heading, "Scholarships" and reads as follows:

"The 'E. Fletcher Ingalls, Jr., Scholarship in Laryngology and Otolgy' yielding $250 annually, is awarded to a physician who is seeking to qualify himself for the practice of laryngology and otology. Opportunity is afforded the holder of this scholarship for advanced work and clinical training."

THIS MEMORANDUM OF AGREEMENT by and between Dr. Frank Billings, of the City of Chicago, County of Cook, and State of Illinois, party of the first part, and the Trustees of the Rush Medical College of the same place, party of the second part; WITNESSETH:

THAT, WHEREAS, the said party of the first part has heretofore paid the sum of Five Thousand Dollars ($5,000.), for the purpose of aiding in the construction of the Nicholas Senn Building (Upon the agreement that said party of the second part should pay to him on the first day of July and January of each year, after January 1, 1902, during his life-time, the sum of One Hundred and Twenty-Five Dollars ($125.), which said sum of Five Thousand Dollars ($5,000.) has been so applied; and

WHEREAS, the said party of the first part now proposes to pay to said party of the second part the sum of Five Thousand Dollars ($5,000.) additional, on the 1st day of March, 1902, to be used for like purpose in the Nicholas Senn Building; - otherwise called Nicholas Senn Hall;

IN CONSIDERATION of which, and upon the condition that said last mentioned sum of Five Thousand Dollars ($5,000.) be so paid by said party of the first part, - the said Trustees agree as follows:

To pay to said party of the first part, on the first day of March, 1902, the sum of Forty-one and 66/100 Dollars ($41.66); and further agree that said party of the second part will therewith establish, and thereafter maintain, a Memorial Fellowship in said College, to be known as "THE DANE BILLINGS FELLOWSHIP", founded by Frank Billings, in memory of his wife. And said Trustees further agree that on and after March 1, 1902, a sum equal to the income from the Ten Thousand Dollars ($10,000.), at five per cent, shall be devoted to the maintenance of this Fellowship; - it being expressly agreed that said party of the second part may, at any time hereafter, extinguish its liability hereunder by the payment to the said party of the first part, or his heirs, executors, or administrators, the sum of Ten Thousand Dollars ($10,000.).

It is further agreed that the previous agreement between the parties hereto, dated April 30, 1901, be and the same is, hereby abrogated, cancelled, and held for nought.

IN WITNESS WHEREOF, the said party of the first part has signed his name and affixed his seal, and the said party of the second part has caused these presents to be signed in its corporate name by Delaskie Miller, its President, and attest by Thomas W. Mr. Charles L. Hutchinson
Corn Exchange Bank Building
Chicago, Illinois

A patient of mine, Mr. A. D. Thomson of Duluth, has recently given to me for our surgical work $5,000. I have added to this a $5,000 life interest in Rush Medical College which pays 5 per cent during my life time, and have arranged at my death to have this replaced by $5,000 worth of bonds. These two amounts together are to be known as the A. D. Thomson-Bevan Surgical Fellowship Fund.

I should like to have you as treasurer of the Board of Trustees of Rush College accept these funds if you are willing to do so, with a proviso that they are to be under the control of a committee composed of Dr. Frank Billings, Dr. Oliver Ormsby and myself, and that in the event that Rush College makes a union either with the University of Chicago or with the University of Illinois that this committee would have the power to turn the funds over to either institution; also that the interest of the fund is to be paid to the house surgeon of the Presbyterian Hospital. I should be very much obliged if you as treasurer of the Board of Trustees would accept this fund with these conditions. If you can, kindly let me know and I shall transfer them to you at once. The Thomson $5,000 is in Chicago City Railway bonds.

(Signed) Arthur Dean Bevan.

Following is the form of receipt given by Mr. Hutchinson, as Treasurer, to Dr. A. D. Bevan.

Mr. A. D. Thomson and Dr. Arthur Dean Bevan wish to create a perpetual fund the interest of which is to be paid to the House Surgeon of the Presbyterian Hospital. The fund is to be in the hands of the trustees of Rush Medical College. The House Surgeon is to be nominated by the head of the surgical department. The fund is composed of $5,000 given by A. D. Thomson and invested in Chicago City Railway Bonds bearing 5% and of a $5,000 life interest in the property of Rush Medical College owned by A. D. Bevan bearing 5%.

A. D. Bevan has made provision in his will and set aside $5,000 of Chicago City Railway bonds to take the place of this life interest at the time of his death.

There is to be nothing in the conditions of this fellowship fund which would prevent its being transferred by the trustees of Rush Medical College to the trustees of the Presbyterian Hospital, or to the University of Illinois, or to the University of Chicago, and this is to be decided by a committee of three composed of Dr. Frank Billings, Dr. A. D. Bevan and Dr. Oliver S. Ormsby.

Received from Arthur Dean Bevan, five $1,000 1st Mortgage Gold bonds of the Chicago City Railway and an agreement between Dr. A. D. Bevan and the trustees of Rush Medical College for a $6,000 life interest in Rush Medical College, to be held in trust, subject to the conditions above named.

(Signed) C. L. Hutchinson, Treasurer.
Rush Medical College.
October 29, 1917

The Chairman:

The Board of Directors of the Southern Railway Company, New York City,

Attention: Chairman,

I am addressing this letter to you as President of the Southern Railway Company, whose offices I have not visited for several years. I am writing to express my concern about the current state of the Company's affairs and to request a meeting with the Board of Directors to discuss a possible merger with the New York Central Railroad.

I have been following the progress of the merger negotiations with great interest and believe that a successful outcome would be beneficial to both companies. The New York Central Railroad is currently the largest railway in the United States, and its acquisition by the Southern Railway Company would significantly increase our market share and provide a stronger financial position.

I understand that the New York Central Railroad has expressed interest in a merger, and I believe that this is a decision that would benefit both companies in the long term. The merger would allow us to combine our resources and expertise, leading to greater efficiency and profitability.

Please let me know if you would be available to meet with the Board of Directors at your earliest convenience. I am eager to discuss the possibility of this merger and to explore the potential benefits it could bring to both companies.

Yours sincerely,

Contract

Between the Central Free Dispensary of West Chicago and the Trustees of Rush Medical College.

Cook County Records, Book 883, Page 266.

The Central Free Dispensary of West Chicago and the Trustees of the Rush Medical College of Chicago believing that the work of carrying on a free dispensary in the city of Chicago will be thereby advanced and that the duty of the authorities of the said college under the will of the late John Phillips of Chicago to establish a dispensary will thereby in the interest of humanity be best fulfilled have entered into and do enter into the following agreement to continue ninety-five years (95):

Section 1.-The said Central Free Dispensary agrees to loan to the trustees of the said college eleven thousand dollars ($11,000) for ninety-five (95) years and to receive interest thereon at the rate of six per cent (6%) per annum payable semiannually. The authorities of the college to give as security for the said loan a first mortgage on their college property which includes the lot (100 by 147 ft.) on the northeast corner of Harrison and Wood streets in the city of Chicago and all its buildings and belongings. This loan to be perfected as soon as the college acquires a clear title to the said property. It is further agreed that should at any time one full year pass and the college fail to pay all the interest on the said loan the loan shall if the said Central Free Dispensary so elects be terminated and the full amount of both principal and interest shall then be due and payable.

Section 2.-The Trustees of the said College shall agree to provide rooms for the use of the said Dispensary in their college building to be built on the lot above referred to said rooms to be situated on the first floor of the said building said floor not to be more than three feet below the street grade, to be well lighted, to have a superficial area (floor space) of at least five thousand (5000) square feet, to have a height of at least twelve feet and to be partitioned and arranged as the said Directors of the Dispensary may direct and they do hereby lease said rooms to the said Dispensary for the term of ninety-five (95) years.

The Dispensary to pay such an annual rental for the said rooms and for the proper heating of the same as shall be fixed each year by the President of the Board of Directors of the said Dispensary and the President of the Trustees of said college they to select a third person to decide in case they fail at any time to agree. Provided the said annual sum paid shall in no case exceed the annual interest on the money loaned under the above agreement and until the final settlement of the estate of the late John Phillips and until all the moneys bequeathed by him for a Dispensary are available by the said Central Dispensary the annual sum paid shall not exceed one-half of the amount of annual interest money on the said loan of eleven thousand dollars and the said rent shall be paid to the said College by being deducted from any actual payments of interest accruing out of the said Phillips Dispensary Fund, which payments are made by the Trustees of the said college to the said Central Free Dispensary according to the terms of this agreement and in no other way or manner whatsoever.
Section 3.-The said trustees of the said college to the end that they may establish and maintain a Free Dispensary in the city of Chicago according to the provisions of the will of the late John Phillips do hereby agree to pay and turn over to the said Central Free Dispensary the whole interest from time to time accruing out of the Phillips Dispensary fund of which they are trustees; that now in their possession to be paid and turned over at once and that in prospect as soon as they shall come to the possession of it. The said Dispensary hereby agrees to use the income from the said fund in maintaining as hereinafter specified a free dispensary in and for the city of Chicago.

Section 4.-The said Dispensary agrees to establish and to carry on and maintain in the rooms, heretofore agreed to be leased to them in said college building during the continuance of this agreement, a free dispensary for the city of Chicago the same to be carried on in the manner provided in said will of said John Phillips as nearly as may be and under such rules as the faculty of the said college may approve; such dispensary to be established within six months after the completion of the said college building.

Section 5.-The said faculty by this agreement approve of the By-Laws and Rules of the said Board of Directors of the said Dispensary now in force as rules under which the aforesaid Dispensary may be conducted. But there shall during the continuance of this agreement be no change in said By-Laws that will lessen the amount and character of the Dispensary work done, without the consent of the said faculty, any other change being permitted without such consent. No person shall at any time be appointed Medical Superintendent of said Dispensary work without the consent of said faculty to such appointment.

Section 6.-The Central Dispensary aforesaid shall see that so far as is practicable during the sessions of Rush Medical College, the cases coming to the said Dispensary shall be used by the attending Physicians for clinical purposes and that they - the said physicians give the clinics faithfully and in the interest of sound medical education. The students of the said college shall be admitted to said clinics at all proper times under such rules and regulations as the Directors of the said Dispensary may prescribe. But the said students shall not during the continuance of this agreement be charged any fee for the same without consent of the faculty of the said college.

Section 7.-The Clinical Professors of Rush College shall be allowed to use any of the clinical material of the said Dispensary for clinical purposes in the college rooms provided this shall always be done with the approval of the medical superintendent of the Dispensary, and with the consent of the attending physicians in whose departments such material shall fall.

Section 8.-This agreement is not intended to deprive the Directors of the said Central Dispensary of any right they now have to establish other dispensary stations in West Chicago than their chief Dispensary.

In witness whereof the Trustees of the said Rush Medical College do execute this agreement by the President thereof and by causing the corporate seal of said college to be hereunto affixed, the attestation of the Secretary of said Board of Trustees being also hereunto subscribed and in pursuance of a vote of the Board of Directors of the said Central Free Dispensary of West Chicago the corporate seal of said corporation is hereunto affixed and these presents duly signed by the President and Secretary of the said Central Free Dispensary this ninth day of June A.D. 1875

No. 838

10:30 A.M. April 21st, 1925

(Signature)

(No. 838)
When the Senn Building was erected the Dispensary was moved from the old college building to the Senn Building and a new contract was made between Rush and the Dispensary whereby the Dispensary leased its space in the old building to the college at $1.00 a year and the college leased new quarters to the Dispensary in the Senn Building at $25.00 making a net payment received from the Dispensary by the college of $24.00 per year and the college now pays the interest of $60.00 per year to the Dispensary on the $11,000 loan. The annual income from the Phillips' Fund is also paid over by the college to the Dispensary.

Rush has been paying all the expenses of heating, lighting, hot water, air compression, high pressure steam transmission, elevator, and building repairs. The Dispensary has a janitor force of two men and two women, costing it about $300 per month. It also takes care of its own annual decorations. The Dispensary uses considerable furniture and equipment which is the property of Rush. It has also purchased some furniture and equipment with its own funds. Rush pays toward the salary for the services of a head nurse the amount of $35 per month.
MAY TWENTY-SECOND
1 9 2 4

Dear Mr. Dickerson:

Referring to your favor of May 19: In presenting the operation of the Death Benefit Plan at Rush, my assumption was that the terms of the Plan, including all the employees on the non-teaching staff, were self-operative and brought the Rush employees under it as soon as they entered the employ of the University. However, there is no objection to having it presented to the Board, and since there is plenty of time I will be glad to accept your suggestion and bring it before the Board.

The matter of the valuation of the Rush property should have been brought, as you suggest, before the Finance Committee. I approve of your omitting both of these matters, as you suggest.

Yours very truly,

Wallace Heckman

Committee on Buildings and Grounds
The University of Chicago

Gentlemen:

The question has been raised whether the non-teaching employees of
Rush Medical College would, on June 16th, be automatically put under the group
insurance plan of the University, with their standing as of that date; or
whether it would be retroactive.

I recommend that the Death Benefit Plan be started with the employees
of Rush Medical College on the basis of original employment by the University as
of date June 16, 1924.

Respectfully submitted,

Wallace Heidman
May 22, 1924

My dear Mr. Heckman:

Replying to yours of May 19

I am enclosing herewith the certified copy of the decree of the Supreme Court in the Rush Medical College case. If you have a copy of this contract, uncertified, I should appreciate your sending it to this office for the files.

Very truly yours,

Mr. Wallace Heckman
University of Chicago
