Chicago, Nov. 9, 1894.

Dear Dr. Harper:

Dr. Crandall and myself have arranged to leave for Detroit on the 9:30 Detroit Express on Monday night, arriving in Detroit at 7:10 Tuesday morning, for breakfast. If you should find that you can go on the same train, we should be greatly pleased.

Sincerely,

Edward Goodman
Dear Mr. Hacker:

The changes in the market have resulted in a letter on the subject of portfolio management. There is a need for a letter to reflect on the progress of the project and to request further details. I am sure that you will find this letter to be of interest.

My dear Mr. Harper,

I did not hear of the glorious result of the $1,000,000 effort until I got to Cologne the other day. My letter had missed me as also the papers. I congratulate you on the magnificent conception of the effort and its accomplishment. May you be long spared, so that you will witness in your person the growth of the institution which will equal any in the world. I called at Freiberg on my way north from Strassburg, found that Dr. W. Holst has left for Berlin, I was to sail from Antwerp for N. Y. last Saturday.

At Strassburg I was much impressed with the grand buildings of the University. I met there Dr. Bausman, the Secretary of the University, and have since come in my history and illustrations of their buildings.

At Heidelberg I met Dr. A. Weiss who wished to be especially remembered to you. I also met Dr. Zangemeister the Silhouettist and saw the manuscript of Mercure, lately acquired from the National Library of Paris at the immense price of $30,000.

I am sorry to be obliged to leave out in my trip Scicca, Düsseldorf, Berlin, Hamburg, Hanover, Amsterdam & Copenhagen, but my time will not allow it. I had a good time at Cologne, Brussels & Antwerp, and must finish now with a few days in England and fly out an office in Paris Aug. 17. for N. Y. and hope to be in Chicago Aug. 27. Chicago and the University are known very widely, as well as the University President with much esteem and hoping soon to meet you and cooperate with you in the great work. I am as ever sincerely Edward Jordan.

My dear Sir:

Mr. Edward Goodman, one of the trustees has offered to introduce me to you to ascertain if you would use your influence to obtain for me a position in one of your accredited schools. I have taught in both private and public schools in Chicago and can give references.

I fear there is nothing open now, but arrangements are
Dear Sir,

I am anxious to secure a position next year, and I am very anxious to secure a position then.

If you can help me in any way, I should be very grateful.

Respectfully,

Dear Dr. Harper:-

Yours with the manuscript of Dr. Henderson, is at hand, for which please accept our thanks. We are glad to get it. Some time when you are down town, telephone me as I would like to see you, although it is about no matter of special interest.

I wonder if Dr. Bruce would not send THE STANDARD an article some time during the next year? Would he like to write on Robert Burns, do you suppose? Next year is the Burns centenary.

Yours very truly,

Yours will be the manuscript of Dr. Henderson's, if at hand, for which please accept our thanks. We are glad to hear if some time when you are going to Rome, perhaps between the receipt of your letter and we would like to see you. If possible I am afraid it is April or May. As you see the catalog page next year is to be printed your reference was to write an important part of the next year in the future.

Dear Dr. Harper,

Your favor of Nov. 4 I was glad to receive. I am glad that you can go forward in the matter of The Standard. I should however like to go over with you the list of names as in my extensive canvass in connection with the first effort for the $6000. I had opportunity of learning how many viewed the question. Could you give a little at the close of Board Meeting on Tuesday.

Sincerely,
Edward Goodman
Dear Dr. Harper,

I asked Dr. Adam Smith if he would be able to preach at the First Baptist Church on Sunday July 23. He was able to say definitely as he might be engaged on that Sunday.

Will you kindly assist me in getting him to preach on Sunday July 23 or Sunday July 30. (The fee is $25.)

It would be a great pleasure to have our people hear Dr. Smith, and I think he would enjoy a Sunday with us.

He need not strain himself, sermon not exceeding half an hour in length would suit Summer seasons.

Kindly encourage him to accept.

Please notice that our new telephone is Harrison 1271.

Yours sincerely,
Edward Goodman

Dear Father:

I cordially, at least inwardly, rejoice over the interest you have shown in the recent movement of the providential kindling of the Swedish Bible for America. I am glad you were able to see Mr. Forb's people and I trust you were able to assist them in some more or less practical way. It is made all the more pleasant to me, I can tell you, to have helped them in some way. My dear Dr. Harper,

Here are some items that appear in The Standard this week. I want to congratulate you again on the magnificent result of your efforts in connection with the $2,000,000. The Standard was made up about the time of the Convocation, because we could not use much space this week. The Convocation was one of the best. Your quarterly statement was very impressive.

I hope you will have a glorious trip abroad, and I pray that our Heavenly Father will guide you and keep you and bring you back to us safely.

As ever, affectionately,

Edward Goodman
Dear Mr. Harper,

I find an inquiry at M. C. R. offices, that their rules do not allow of giving reduced rates to Paul McLaughlin.

By buying 1000 mile tickets, the rate comes to two cents per mile.

If you would like to make an application for half fares, and prey the other half in advertising in the University periodicals - I think it jointly might be arranged.

The two cents a miles by 1000 mile ticket makes about one third reduction on the regular fare.

Ever sincerely,

Edward Goodman

My dear Mr. Goodman:—

I think it would be a good thing if we could get a list of the life members at an early date. It would also be a good thing if we could have a list of the securities of the funds belonging to the Theological Union. Perhaps you will be able to work this out.

Yours very truly,

Dear Dr. Harper,

Your favor of Nov. 18, is received. In reply, I would say that I am getting up the list of life members. I have also started to get into complete shape the list of obligations to the Theological Union and the Securities by which they are held, also insurance policies.

I am sorry to hear of the sad accident to Prov. Building.

Dear Dr. [Surname],

I hope this letter finds you well. I am writing to express my gratitude for your kind words in the recent issue of the university's newsletter. Your support and encouragement are greatly appreciated.

I am currently in the process of finalizing my dissertation and am looking forward to the upcoming conference where I will be presenting my work. I wanted to take this opportunity to extend my thanks to you for your advice and guidance throughout my academic journey.

Please let me know if there is anything I can do to assist you or the university in the future. I am committed to contributing to the academic community in any way possible.

Thank you once again for your support. I look forward to hearing from you soon.

Sincerely,

Mr. Edward Goodman,

Parker House, Boston, Mass.

My dear Mr. Goodman:—

Your letter of November 14th reached Chicago during my absence in New York City. We have just returned from New York where we were visiting Mr. Rockefeller, Jr. and Mr. Gates. We presented to them two or three matters. They have given $50,000 for the erection of another temporary building to be used for the women. It will be erected just south of the Quadrangle Club. Some other matters have been taken up but have not yet been settled.

I have thought over the list of New England ministers and am sorry to say that I cannot think of anybody to suggest. There are, of course, many good and strong men, but I have been out of touch with New England for so long that I am not posted. If we could get Rowley back to this country, I think it would be an admirable thing to do.

Yours very truly,

W. R. Harper
Dear Dr. Harper,

I am delayed here longer than expected and have decided to go to Boston and attend Baptist Congress Nov 18-19-20. and shall make investigation whether there is not one in New England that would suit as Boston or an 1st O. Chicago.

I write especially now to ask if you have any impression of suitable men that I might enquire about. I am sorry to take your time, but I know that you are interested in this matter.

I shall return from Boston in a week or so to Upper Troy to complete my business here and then go on to Cleveland before Thanksgiving where my wife is visiting with our daughter, Mrs. Sperry. I leave here Sat. am Nov 15 for Boston.

Owen
I hope dear Dr. Harper, you are well and are encouraged in all matters relation to the University. I see by the papers that great things are in prospect (or imagination?) in regard to Rush Medical College.

I pray that you may be kept for us and our educational interest for a long life, I congratulate you on your ability to do so much, and I pray that you and the Trustees may have divine guidance, so that God may be glorified in all things.

With much esteem,

Sincerely,

Edward Goodnow

Dear Dr. Harper

I wish to acknowledge your kind invitation to meet at your residence. The Candidates for Degrees Monday evening June 15. I regret that I shall not have the pleasure of being present. Mr. Goodwin and myself expect to return to Chicago Monday June 22.

I had a pleasant interview yesterday with Mr. Dr. George Adam Smith at the Lakeside Hospital. Dr. Smith is progressing favorably but will not be expected to leave before July. How sad about the death of Mr. Howe & Mr. Miller. I sympathize with you in all your cares in reference to
The University. The good Lord is your guide and protector.
