1916.

My dear Mr. Judson:-

As I consider it a public duty, I respectfully ask you to secure at least ten annual members for The American Red Cross, using for that purpose the enclosed membership petition.

It may be said, without fear of contradiction, that The American Red Cross has been put to many severe tests and has never been found wanting.

The exemplary work done at home in emergency cases is, however, nothing compared with the work it is now doing at home and abroad in behalf of the war-stricken countries. That work fully merits the universal praise which it is receiving.

For many obvious reasons The American Red Cross must receive greater support than it has in the past from American citizens who have the best interests of our Country at heart.

Our Red Cross has only 25,000 members, Germany's has 1,000,000 members, and Japan's, over 2,000,000 members. This speaks for itself.

Each man and woman joining now will receive a Red Cross button or pin and The American Red Cross monthly magazine; each annual or sustaining member will receive the magazine for one year, and each life or patron member for life.

PLEASE RETURN THE ENCLOSED PETITION TO ME, together with check payable to Orson Smith, Treasurer, or The American Red Cross, covering the total amount of the memberships you may be able to secure.

Trusting that you will aid me in this good cause and thanking you in advance for your efforts in behalf of The American Red Cross, I am

Very truly yours,

Enclosure.

Dr. Harry Pratt Judson,  
Chicago.

Dear President Judson:

I am in hearty sympathy with your movement "to stimulate love of the beautiful and to enrich the life of the community through the cultivation of the arts," and, therefore, I regret exceedingly that I cannot be present at the luncheon to be given on Wednesday, June second, at twelve thirty o'clock at the Chicago Club.

I cannot accept your kind invitation because I am already over crowded with work and cannot take part in any new undertaking, no matter how desirable.

Thanking you for the kind con-

sideration given me and with kindest regards, I remain

Very sincerely yours,
