President Chicago Univ.

Dear Sir,

I feel greatly honored
by your invitation
to deliver the
address at the con-
vocation day, and
will try to do
my best, only
I would very much

to be to have
some particulars
on what the con-
vulsion exactly is,
as the Harvard peo-
ple have not
been able to en-
lighten me on
the subject.

As to the
course of lectures

allow me me more
to leave the educa-
tional question entirely
to yourself. I know
the University will
do what she can,
for my part I con-
sider it my duty
as long as I am in
this country for
this purpose - to do

all I can in order
to reach as many

hears as I can.

Therefore allow
me to consider it
as settled that I
shall begin the
opportunity of address-
ing your students -
if possible in a
mixed audience of
"University friends"
after April 1st at
whatever dates you
prefer - and preferably
twice a week or even
three times rather than once.

Should you rather
have selected lectures
than the whole course
- I would kindly
ask to leave the
selection to my
decision. The whole
course may easily
be given in six
lectures.

As soon as you

with five the dates
Kindly let me know.
I would like to have
the first lecture given
after April 1st in order
to lose as little
time as possible.

With best regards
believe me sir
respectfully
